Rushed

I felt like it was rushed. Other then that it was a good story. Everyone got their happy endings. Now we're just waiting on Lay lay .

Loyal to his love 2

This one was better than part 2. Morgan and Dallas are still going strong, but Marley is up to no good. She has Dallas kidnapped and hopes that they will end up together. Not exactly sure how that was going to work. Dallas is beaten pretty bad and losing some of his memory, but Morgan is there everyday trying to help her man. This was a lot of secrets come out, and there were plenty of shocking moments.

Dallas and Morgan love is so special. Dallas being kidnapped has Morgan on edge. Marley has lost has her mind. Morgan's dad being Marley boss was shocking. Dallas not rendering Morgan was so sad but she put up with him as his nurse. Jade and King are still good, but Smoke and Lay Lay are still just cordial. Morgan pregnant with twins is still going hard trying to find out who kidnapped Dallas. Dallas meets his father. In the end Dallas and Morgan marry. Jade and King are expecting and Lay Lay just wants a man to love her.

OMG this book makes me love black love. Morgan and Dallas are so damn cute. Damn I can't believe the shit Marley did and how Dallas had to deal with that. I felt bad for Morgan. I knew she was pregnant lol I called it. I love how she was loyal to her man and made sure he got that tough love when he needed it. Jade and King are just so damn cute. I'm glad Lay-Lay had Morgan's back and went against everyone that wronged them. That shit with Dallas and Morgan's dad was shocking to me. That ending mad me so mad, Kyle I wanted to punch him

Good continuation to the series

Good continuation to the series. Glad they finally handled Marley's weird behind. That chick was annoying. Didn't see the twists with D. Karter, glad it all worked out. Dallas and Morgan were made for each other. So disappointed in Kyle. The last book made it seem like he really had a thing for Lay, now it's looking like not so much. Feel bad for her all her love interests are so dang disrespectful it's a shame. Hopefully the next

book helps heal her heart. She deserved to be happy and in love like her friends.
