Magic in Ithkar 4 Andre Norton (Editor) , Robert Adams (Editor)

In the centuries since the coming of the Three Lordly Ones, all manner of folk have gathered at Ithkar Fair to pay tribute and sell their wares. There a mysterious egg holds the key to an ailing boy's health...a lucky demon and a bushel of silver apples almost ruin an eager fruit merchant...a strange cloak with sea-blue eyes sets a comely girl on the path to her dreams.

Andre Norton and Robert Adams edited this anthology, which deals with a magical faire in Ithkar. The faire is a religious event which has turned into annual event, with a fair, sales booths, and brawls. The faire has its share of pilferers, ripoff artists and mystical events. A good selection of stories for light reading.
