## Resentment: Book 6 of The Underworld NAKO Roberson

In book 6 of The Underworld, readers are invited into the world of Nasir King, the most misunderstood character in The Underworld.

Jordyn Adams lost herself chasing after love and the man who she thought was her knight in shining armor. Jordyn consumed herself with what HE wanted instead of what she desired, and it eventually became a problem.

The wedge that formed between Jordyn and her lover sparked RESESNTMENT.

As she ages from a very young girl to a an older and established woman, Jordyn battles between compromising and settling. She can't figure out exactly which one she's doing.

Nasir King, the man with the plan and the man that ruled the Underworld with an iron fist falls head over heels in love with Jordyn but does she wait until it's too late to finally love him back?

Resentment takes readers on an emotional roller coaster in this crazy love triangle suspense story written by National Best-Selling Author Nako

To fully understand this story one must first read, Please Catch My Soul, Pointe of No Return, From His Rib, The Christ Family, Stranger In My Eyes and The Arraignment.

## **From Reader Review Resentment: Book 6 of The Underworld for online ebook**

### **Shaneka Stevens says**

#### **How dumb can one woman be?**

I'm so tired of Jordyn. She's as gullible and naive as they come. He woman cats needs to be revoked, cause she doesn't exercise her God given intuition. Can't feel sorry for her at all. Nasir face and name should be under selfish in the dictionary. Chi loves Jade, but Jade is damaged goods. But I'm ready for the connection with Chi and Lauren.

---

### **Kristie Kilson says**

Ok Nako writing skills are always on point but what I can't understand for the life of me is why have us wait that long just to basically reread what we've already read. I was expecting more but this was kinda how the last book left off , so now I have to wait a while to read the actual book that I initially thought I was going to read. I know it said there will b some repeated scenes but I wasn't expecting the whole book to b almost the same as the last one. If I would have known that I would have just waited until book 2.

---

### **Dionna Malone says**

#### **Nah Nas**

Nako pen game is so deep and passionate that it captures you and hold you hostage until the end! Nas is really selfish and I believe karma will have the final say. We as women must know our worth but because we love hard as we are naturally emotion filled creatures it's hard to let go of the one who holds our heart. I am team Lo and though my heart goes our to Jordyn she out of order on so many levels! I can't wait for Part 2

---

### **Dione Brown says**

#### **Who is Neema?**

Nasir really needs to figure his bullshit out. What the hell is going on with Papa?? And which of the guys did Miko lay up with I can't wait for part 2. And what the hell happened with Ben and Lori is DIRTYYYYY.  
PART 2 PLEASEEE

---

### **Brittney says**

#### **Lol**

All i can do is laugh i feel like my life is caught up all in Nas secret circle, it's like he didn't get to enjoy his life to the fullest because he spent so much time trying to manipulate everyone into being loyal when i feel they would of been loyal without the mind games. At least he wasn't as heartless towards Lo foreal he just ain't know what he wanted. But this book did make me hate Jordyn more than i already did, she was pointless, besides her connects with the lawyer and judge because most of the time he was with her he was missing Lo cuz she aint want to be side line. The only time he was really happy with Jordyn was when Lo was happy still and didn't know about j so I feel like if he never did Lo dirty and focused on her he could of beeeeeen happy

---

### **Aarti says**

After reading left with more questions than answers.... I can't wait til I finish with this series. I'm dying for answers, my main question is who was Neema?! I love reading this particular series by Nako it's full of inspirational and relatable quotes.

---

### **Heather Brackins says**

This read was EVERYTHING & MORE!! FIX IT JESUS!!! I CANNOT WAIT UNTIL LAUREN BRING NAS TO KNEES & TO THE POINT OF NO RETURN. I CANNOT WAIT UNTIL LAUREN DROP KICK JORDYN DEAD IN THE THROAT. I was not disappointed at all. Nako has NEVER EVER disappointed me. She always delivers. Her little nuggets of inspirations & heartfelt messages always bless my soul. They really give me insight. I really enjoyed this deep, crazy, & phenomenal emotional rollercoaster & I anticipate Resentment II. NAKO YOU ARE TRULY AN AWESOME, GIFTED, & REMARKABLE AUTHOR!

---

### **Shannon says**

#### **Great!**

I don't know where to begin but I must say Nako has done it yet again! This book was everything I expected and more! I must say I can't stand nas and his selfish behind! He deserves neither one of these ladies and he knows it! I can't wait to read part 2

---

### **Shaney seals says**

My oh my I have waited for this forever. this book is amazing. let just say this love triangles is a mess. Nas say that he loves Jordyn, and care about Lauren, when Nas met with Farren she said he need to choose the one he cant live without. Nas can go months without seeing Jordyn but can take being away from Lauren no more than 2 days. I really think that he loves Lauren and really wants to be with her, but it is like he is almost ashamed to claim her. Jordyn really think she has one up on Lauren when in reality Jordyn is the side chick. I feel it in my soul that Jordyn had something to do with ben's death I mean look at what she did when it came down to Nia doing Lauren dress. Nas Is one confused man but deep down in side Lauren is where he wants to be and needs to be. I Really cant wait for part two I would like to know what is up with his migraine and

the white stuff coming out of his eyes as well as the blood that he cough up. this is a really good book with life lesson in it.

**reneenDaBomb says**

**Resentment: Book 6 of The Underworld**

This is Nasir & Jordyn's story of their accidental meeting, falling in ? and the full relationship woes. It was my least favorite only because of Nas hypocritical shenanigans. Both women, Lauren & Jordyn, should have dropped Nasir King on his head and walked away. We got a lot of background info (repetitive) in Book 6 and it was just an ok read.

---

**evette w says**

**Another Winner!!**

When I started this story it was not only to continue with the lives of the UnderWorld, but it was to get an inside look at the other side of Nadir and his relationship with Jordyn. In this story we get to see Nadir up to his same old tricks of manipulation. We also get clues and looks into where there are snakes and they are lurking around and in the making. This was good writing and the pace never lets up. Throughout this story I can't stress how I don't like Jordyn, but I can somewhat understand her actions. I love that we also get to look into the lives of the other members. I have to say I would really love to get a peak into Sean's life. If you are reading this series you definitely picked a good one and if not then same on you for not knowing.

---

**Yolanda Moore says**

**Jordyn's story**

This had the usual underworld drama. I like leaning more about each character in each book. Jordyn's story is very complicated. I feel sorry for her sometimes and other times I wish she would wake up. My only complaint is the book was a lot of repeat from Lauren's story. However in the author's defense she did give that warning. I still love this series!

---

**MZURAQT says**

Jordyn has prided herself on being the only woman that Nasir King needs. Never bothering to adhere to the signs that were given to her she continues to fight for a title that will never be awarded to her. She decides to fight fire with fire but only ends up getting burned. All she is left with are feelings of resentment.

This series has been entertaining so far. Loving the updates on the characters. Although I understood the reason for the past events. I found myself skipping over them. Will continue the series.

---

## **Mary says**

### **Disappointed**

After waiting all this time for this book, I'm really disappointed. This book didn't explain anything about Nasir! It didn't give me any different prospective of his life or why he is the way he is. I was really a continuation of Lauren's book

---

## **Jamie Sogol says**

### **Whew! Talk about not being emotionally ready!**

This book is...fantastic! It let us know sooo much, the little things you needed to know and needed to know. I'm DEFINITELY still team LoLo!!! I never disliked Jordyn, but this book made me totally not dig her at all. She acted real childish to me. I couldn't get with that. I love what Nas and Lo have together but he's poison. He took advantage of Lauren, left her for Jordyn. And for what??? To end up regretting it? To be literally sick without Lauren? Like if that's not love, to actually be sick without someone. Miss someone's company, the little things they do for you just because they love you. Jordyn didn't even know her "man's" born day. This book was everything!!! I have so much to say lol I can't wait for part 2!!!!
