Maya learns that best friends share everything, even her.

Happy to spend the night at home, watching movies with her live-in lover, Max, Maya is surprised to find out Max has made other plans for them. Plans which include inviting his drop-dead gorgeous, tongue tying, panty meltingly hot best friend, Foster over.

Max thinks Maya doesn't like Foster, but he's convinced he can fix the problem if he can just get the two of them to spend some quality time together.

Maya's feelings for Foster are complicated. She feels guilty for harboring an attraction to Foster, that borders on obsession, even though she's head over heels in love with Max and obsessed with him too. She's so mixed up that she gets flustered whenever she's in Foster's presence and she acts tense, nervous and weird, when really she's crushing so hard she can barely manage to speak.

No matter - these things tend to work themselves out when a threesome of attractive, attracted, twenty-somethings sit together, on a small couch, in front of blistering hot porn, while the alcohol goes down like water...

Maya, Max, and Foster... what a thrilling little trio they are!

Max invites Foster over to hang out, innocent enough of a night, right? WRONG! It starts off slowly. Whiskey, beers, a movie. Foster leaning over to hand Max the whiskey. I can't offer up too much, because I don't like spoilers and I believe this story is HOT enough to keep you interested. You need to read this to see what I mean...

A few of the things that happen and the phrases that hooked me:

"He was moaning and looking down at me like I was some sort of angel of mercy," I LOVE the angel of mercy line. LOVE IT!

Who doesn't love a strong man who isn't afraid to claim what's his though, am I right? I'm right, I know I am! ;) More than once, Max tells Maya she's his, "Mine," he whispered in my ear, "it's still mine," he said. Uh... HOT, totally hot.

"This moment was unspeakably beautiful and will be etched in my brain until the day I cease to breathe."

Such a fast read, but so intense and so so HOT. Seriously, I could go on, but no need, you just need to go read it! Find out for yourself!

I received a free copy of this story to review

Last night I had finished my current read and decided to dive into a new story. I received a copy of the e-book yesterday and though the title sounded hot, so why not! This book is short, but so good. I wish it was longer, because within the first few pages I was so into the characters and story idea that I wanted more. Ever get a story where it's just never long enough? This was one for me. By the title you can guess that the female lead Maya is seduced by her boyfriend Max and his best friend. She doesn't want the thoughts and feelings she's having about the best friend but hey he's hot so who can help it. A Quiet evening hanging out quickly takes a turn for the taboo after the liquor comes out. That's when things take a fast turn into the forbidden. Super hot, super sexy ménage story that I just wish was a full length novel. I could definitely see this being a full story, just need to add plot twist and turns to make it longer. So if you interested in a fast sexy story, this is definitely the answer for you!

This little scene gave exactly what the synopsis said. It was short but seriously hot.

Lisa says

This is a sinfully sexy, hot, short read. The entire thing is a long scene between the three characters. I enjoyed the read for what it was: an erotic threesome between Maya, Max, and Foster. There were certain aspects that seemed a little far-fetched (an erection that lasts hours and hours, post-ejaculation?), but it worked for this story. There are no character backgrounds, no epilogue or what happens next. Just one steamy night between best friends and their girl.

Shakti! says

A short, erotic read has to get to the point, right? But can it still be about people who deeply connect? Whose introduction and backstory immediately endear the reader? For anyone who can appreciate a more faceted kind of short with inventive detail and meaningful, steamy interactions, this story and its sequel, *After the Ménage is Over: Breaking Him by Accident* are quite satisfying.

I immediately liked Maya (Mai), Max and Foster and their interconnection. The author's plausibility in writing them allowed me to quickly invest in their emotions and experience. The characters feel real and develop comfortably over a short span. The erotic moments are in a delectable variety of tender, kinky, passionate, and delightfully rough with some very original aspects and language.

Kat Crimson has set out to create "Cerebral Erotica, which engages brains, the hearts and the loins of my readers in equal measure". This short read is a "win" in her newly-defined category. Ms. Crimson accomplishes her goal of "proving that erotica can arouse the mind as much as the middle bits and that kink can be quality." I look forward to reading part 3 of this story as well as her other works.

Short book but it is really steamy and HOT!!!
The steam sizzles off the pages....

The title of *Seduced by 2: A Sexy Menage A Trois* says it all. What you can't know from the title is how well-written and unrelentingly steamy this story is. A tempted and initially reluctant Maya succumbs to temptation with her boyfriend Max and his friend Foster. What unfolds is a master-class in finely wrought erotica. I'll certainly be looking forward to book 2.

I really enjoyed this story, it was only 37 pages but I could not put it down ! Max has asked his best friend Foster over and he tells Maya. At first she says she will go out and let them spend time together, but Max wants her to stay ! What have these men planned for Maya ? After a few drinks Maya is in for a big surprise ! I was gifted a copy for an honest review barwatts@telus.net

This book really will have you clamping your legs tightly together it's that good. Please read if you want to just unleash your inner feelings without stepping out.

Fast Paced, Well Written, Erotic Ride!!!

*** I was graciously provided a free copy by the author in exchange for an honest review. The following thoughts and opinions expressed are my own. ***

Well, I am just going to cut to the chase just like Kat did in her book and say that this novella is a no holds barred and go for the throat erotica whirlwind of a ride!! Maya loves her boyfriend Max, but every time his best friend Foster shows up, she gets a little uncomfortable, nervous even to the point of blushing, acting fidgety, getting tongue-tied when she talks to him, and all because she finds herself attracted to Foster. Plus, Maya can't bear the thought of Max finding this out, so she makes a point of avoiding him.

This particular day, Max has invited Foster over to his place and he's brought whiskey and beer. Max tells Maya that he wants her to really get along with Foster because they are the two people that mean the most to him. Little does Maya know that she has been set up, and the whiskey flows, beers get cracked open, and before you can say menage a trois, Maya is knee deep in some FOSTER (and I don't mean "It's Australian for Beer" either) with Max bringing up the rear literally!! :) Let me tell ya, my kindle was smokin' when I got through reading this hot number. A great time was had by all including me. :)

So, the next time you are in the mood for a fast paced, well written, erotic, ride that has a surprise or two, and

just gets right down to it, check out Kat Crimson. I know I will because sometimes I don't want a 9-course meal, I want a 5-minute hot pocket! LMAO!!!!!!

Samantha Ortegon (Books, Wine & Time) says

I feel Kat Crimson should have warned me that *Seduced by 2: A Sexy Menage A Trois* would be up there with one of my hottest reads. I blush just thinking about it, not only are the characters smoking hot this night is set up to be one night to remember for Maya.

Seriously...Maya's boyfriend Max plans a night that will bring his bestfriend Foster closer to his girlfriend in the most sensual way possible. Foster adds liquor and porn to seduce Maya, it starts of slow and seductive with passionate kisses and some wandering hands. I am not completely sure if it was the words spoken by the two gorgeous men or if was every movement they made towards Maya's body that had heat radiating off of me. Once the seduction begins there is no holding back, page after page of mind gripping sexual desires released. This may not be every woman's fantasy, as for me reading *Seduced by 2* felt that a fantasy was granted.

Dita says

Oh wow this is a short hot light read.

Super duper hot.

Maximun hotness from the beginning 'till the end.

Got me panting the entire time.

If you're looking a very hot panty melting short book....

This is totally for you

Moctezuma Johnson says

Kat Crimson is always one of my favorites because she puts smart in sexy. Her writing jumps off the page and lodges itself deep in the brain. I find her work hard to define since it's so unique, but one thing is it's always hot and *Seduced by 2* may be the hottest one yet. This is a must read!
