## **Silver Heart** Amelia Rose

A historical western cowboy romance novel about a mail order bride and the scene is set in Virginia City and Gold Hill, Nevada, in the 1880s.

When Maggie Lucas (mail order bride) leaves Boston for Virginia City, Nevada, she's anticipating a marriage of convenience and life in a new home with a man she's never met. That's more than enough change, in her view. What she doesn't expect, is to find that home threatened as both the market for silver and the Comstock Lode mines themselves dry up and her new husband faces foreclosure. She also doesn't expect to fall in love with the new state, the people in it – and her new husband.

## **Carol Mcgrath says**

### **A new life**

Maggie left Boston to marry a daily friend, Hutch, who had lost his wife in childbirth. The day she arrived her future brother-in-law, Matthew was shot. There were many problems that Maggie faced including which brother she loved. She was also a midwife who was called on to assist in a difficult birth. This is a very nice story of Maggie finding her way and Hutch overcoming difficulties. I believe you will enjoy this book.

## **? Gramy ? says**

.  
This is a quick and easy to read mail order bride story.

This one has an odd twist, a third party in the mix. Two brothers and one woman. With this combination, the power of forgiveness through a Christian prospective is necessary and appreciated.

The ability to depend on their faith to help them overcome their struggles and obstacles from past experiences, was refreshing.

It wasn't quite a clean and wholesome read. However, it did stand on its own and is delivered with an HEA.

## **Sandie Parrish says**

### **Silver Heart**

This is another story of a mail order bride coming from Boston to be a bride in Nevada. This story showed the family influences on this couple and the fact that she is a midwife and the influence that had. I'm sure you would enjoy this book as I did.

## **Patty says**

Sweet, Western mail order bride book as I love to listen to by Amelia Rose. She has a way of weaving the characters in her stories together, giving you a sense of family and community. This is the first of the Longren Series, Maggie coming to marry Hutch. Maggie is a midwife, and there are several scenes with the realistic view of the times with the births of children, one is particularly heart wrenching. Hutch's siblings are in the forefront of the story, meeting Matt his brother who turns out to be quite the character. Lots of interaction, small town gossip and antagonism and love to be shared, this book gives you a lot of feels. Looking forward to Matt's story.

Haven Blythe is the narrator of this book and it's the first narration I have heard from her. She has a pleasant voice, though her differentiation between characters at times is hard to hear. Her pace is a little slow but the overall performance was gratifying.

### **Maggie & Hutch**

23-year-old Maggie accepts the role of mail order bride due to her father's financial woes and because she believes she'll be an old maid otherwise. The man she's to marry is an old family friend who's first wife passed away during childbirth. Maggie is also a midwife and hopes to find approval in Gold Hill. Hutch, the owner/operator of the Silver Sky mine, which is quickly running out of silver. He needs a wife because he is too busy to take care of his house. When the two meet there is an instant attraction. But when Maggie meets Hutch's brother, Matthew, she's also attracted to him. After Hutch catches them in a compromising situation, will Maggie be able to salvage the love she has for Hutch or will he tell her to go back to Boston? After Maggie helps a rich lady through a difficult delivery but the baby is stillborn, will she be able to salvage her reputation as a midwife, or will she be shunned by the women of Gold Hill? Throw in a dangerous rivalry, a budding romance, and some angst and you get a wonderful book.

### **Silver Hearts :Mail Order Bride Historical Western Cowboy Inspira**

Interesting story about what a woman goes through when they head out west not knowing what faces them to become a bride to someone they have never met. In her case at least her family was acquainted with his family. She also ended up not knowing if she would have a home to live in or whether she could practice her profession of being a mid-wife.

### **Job opportunity for a midwife**

Good reading. Interesting town folk,  
Accepting a change in her life, need for adventure & to help women with their pregnancy & to makes friends in a new town

---

### **Presly Jones says**

WHY THIS IS EVEN GETTING A TWO STAR RATING ASIDE THE MANY GRAMMATICAL BLUNDERS IS THE FACT THAT THE AUTHOR PAINTED A REALISTIC SETTING, A REAL LIFE SITUATION AND I LOVE THAT. THINGS MUST NOT ALWAYS BE PERFECT FOR THE HERO AND HEROINE AND THE HERO MUST NOT ALWAYS BE RICH.

NOW ON TO THE SPOILERS.

I LOST INTEREST AND JUST DETESTED EVERYTHING ABOUT THIS BOOK WHEN THE HEROINE MAGGIE, DEVELOPED A STRANGE INFATUATION TO HER WOULD BE HUSBANDS BROTHER WITHIN MOMENTS OF MEETING HIM. SHE KISSED HER FIANCE ONE MORNING WITHIN MINUTES SHE WAS BUSY KISSING HIS BROTHER. TALK ABOUT GROSS. THAT JUST PUT ME OFF. LIKE WAS THAT NECESSARY. THERE WERE A WHOLE LOT OF THINGS GOING ON. HUTCH WAS FACING SERIOUS PROBLEMS AND YOU HAD TO CREATE ANOTHER ONE. HIS WIFE TO BE IN A COMPROMISING SITUATION WITH HIS BROTHER. HOW DO YOU EXPECT HIM TO FEEL. THAT IS DISGUSTING. AND YOU COVERED THAT HORRIBLE ACT BY PAINTING A PICTURE, MAKING IT SEEM THAT EVERY LADY CAN'T HELP IT WHEN THEY MEET MATTHEW. IN SUMMARY ANNIE THERE SISTER WAS LIKE

oh it's okay, women like Matt. They can't help themselves. Ellie was like dat. Not your fault

LIKE WHAT THE HELL. WHAT IS TO SAY SHE WON'T CHEAT ON HER HUSBAND WITH MATTHEW LATER ON IN LIFE. I MEAN MATT WILL ALWAYS BE THERE. THE AUTHOR MADE IT SEEM THAT NOTHING WENT WRONG THAT IT IS NORMAL FOR A WOULD BE BRIDE TO DEVELOP AN ATTRACTION TO HER FIANCES BROTHER AND THEN ACT ON IT BY THROWING HERSELF AT HIM AND THEN KISSING HIM. THE FUNNY THING IS THAT SHE NEVER APOLOGIZED. SHE JUST KEPT MUM ABOUT THAT HORRID ACT THE ENTIRE TIME, EXPECTING EVERYONE TO FORGET. CLAIMING THAT SHE JUST WANTED TO TEST THIS CRAZY ATTRACTION TO MATT. I JUST HATED THIS BOOK CAUSE OF THAT. I FEEL BAD FOR HUTCH, HE FORGAVE TOO EASILY.

### **Debra Barstad says**

This book was easy to read. I am not one for romance or historical type romances but this one was okay not too over the top romance but not overly boring historical either. If you want a light fast read in this genre I would recommend

---

### **Jacqueline Driggers says**

This is a really good book, and I enjoyed it a lot. Part of what makes a book good is if you remember it several days later, at least for me. The female main character is a midwife, so if you're squeamish, there are a couple of scenes you might want to skim over. But all in all, it's a very good book.

---

## **Carri Kelsey says**

### **Lovely**

What a lovely book, full of hopes and dreams, love and misery, happiness and sorrow, adventure and adversity, and happy ever after.

---

## **Catherine Geist says**

### **Awesome**

This was an awesome book. It was well written & the storyline was great. It had romance, sadness & suspense. It kept you guessing what was going to happen. Could not put it down.

---

## **Debbie DiFiore says**

### **Just okay**

It really should be a two star read but I gave it three just to be nice. It's first person which is not my favorite and the heroine felt the tingles from both brothers. It was just scattered. The Hero loved his previous wife who died in childbirth and the heroine was very strong and was okay with that. She loved him too, but she kissed his brother. And it sounded like his dead wife did too. The h was a midwife and one of the ladies she assisted loved but the child died. The town blamed the h even though the Woman was an alcoholic and lost other babies. It was so weird. I am not sure I really liked it but it was free. Okay I just changed it to two stars because it really wasn't that great. I really tried. I will read the author again and see if she evolves. I think she writes well. This story was just okay. I had high hopes at the beginning but it didn't really deliver.

---

## **Evelyn Derenzy says**

### **Lovely!**

This is a delightful romance that shows how differently people react to different situations. How brothers can be the best of friends while often being irritated with one another.
