## **With This Ring** Aliyah Burke

A man whose wedding day was destroyed by betrayal meets a woman from his past who begins to renew his belief in true love and with her in his life, he may be willing to try that step once again.

After calling off his wedding on the day of, rancher Dustin Kane meets a woman who's in the wrong place at the wrong time. He's in no mood for company, but she's different and makes him feel things he shouldn't. By the time she leaves him, he's more intrigued and wants to see her again.

Samantha 'Finn' Finley had returned to Branchwater, Texas for the sole purpose of helping her injured father. Running into the man she's loved since high school was never part of the plan.

Drawn together time and time again, neither can ignore the sparks between them. When it comes time for her to leave, will Dustin be able to let her return to her new life or will he do all he can to get her to come back to where she belongs, home...with him?

### **Sophia says**

Absolutely loved this book. It is something about a Texas man. Dustin had my heart from the first page. He's my new book boyfriend.

---

### **Jacqueline says**

It was a enjoyable read. It was well written and fluid storyline. The characters are very likable. Worth the read!

---

### **Teinevai says**

3.5

---

### **Nancy L Thompson says**

#### **Loved It**

This was a great story. I enjoyed it immensely. It had everything a good story should have. Great characters and story line. Keep up the good work

---

### **Kim Grimes says**

#### **Great Read**

I really liked this book. The characters were likable and keep me interested in the storyline. I would recommend this book and author.

---

### **Paula says**

#### **Great Story of Unrequited Love**

I truly enjoyed the story of Finn and Dustin. The story was well written with relatable characters. There was a very good amount of drama that kept me engaged to the end. The characters were passionate and true to each other throughout. Aliyah touched on several topics such as bullying and racism. This added solid depth to the story. This is a series I look forward to reading in the future. Great job, Aliyah Burke!!! Great story well deserving of 5 stars!!! Great writer with many great reads to come.

### **Desiree says**

#### **No disappointment here!**

when a book is so good that you'd risk having blurred vision for ..that definitely tells you something.lol..that and the fact I read from a kindle ...much too long. But I couldn't put it down.It is story of young girl who maintained a childhood crush that grew into something more. I love Aliyah Burke's books. And you'll enjoy reading this one too.

---

### **Ansu says**

Story was good, characters very likable, only thing to put me off this book was that Dustin took too long to go after Samantha.

I also did not like how she insisted that everyone call her Finn when she was introduced as Samantha. Something about it made me not very fond of her after that.

---

### **Lakeysha says**

#### **Cowboy up**

Aliyah has done it again. This story will keep you hooked until the end . I enjoyed all the characters and have to say the story itself is relatable just like the characters. Ready for the next one in the series. Great read!!!

---

### **Tina says**

#### **Lightning Review**

- Nice romance
- Liked that the heroine was a farrier (I had to look that up, always cool when I learn something new while reading a romance)
- Hero's ex fiancée was a cartoon
- Not sure what the romantic conflict was other than the H/h not really talking to each other and it ended when they decided to say 'I Love You.'

So decent but nothing really stellar.

---

## **Danielle says**

Dustin and Samantha's story was wonderful! Ms. Burke also captured my heart with all of the sub-characters.

---

## **Muriel says**

What a sweet Read this was!!!!

---

## **Monica \*\*can't read fast enough\*\* says**

WITH THIS RING is a very nice straight forward contemporary romance. The story flows smoothly and the characters are very realistic. Finn has had feelings for Dustin since they were young but was never able to show him how she felt about him. After being bullied as a young person Finn has left her home town and made a career as a farrier which I loved! Burke creating a strong female character who has a unique career that is not traditionally one that women participate in was a nice bonus to Finn's character. The whole setting of the book was a bonus for me. Ranching in Texas that seemed believable is a nice change from high powered business tycoons and whip wielding Doms. Not that there's anything wrong with those stories because I enjoy those too, however this was a nice break from what is flooding the IR market right now.

Dustin is a rancher who walks away from his fiance on his wedding day for a VERY good reason. At a low moment on his wedding day Finn stumbles across him and their cautious dance begins. There is physical attraction immediately but neither Finn nor Dustin are in a place where they are willing to take a chance on another person. Caution is the theme of their romance. However, an over abundance of caution on both their parts can end up keeping them both from getting what they want.

WITH THIS RING is a quick and satisfying read and I am so glad that I finally got around to reading it. I will definitely be diving into more Aliyah Burke books in the near future.

## **Kelly says**

### **Love me some cowboys!**

There are a few things that are a given for me when getting an Aliyah Burke book; one, it's gonna be sexy and two, it's going in my to be read again pile. This book had both criteria for me....oozing sexiness and I will definitely be reading it again!

---

## **Connie says**

I LOVED that Samantha refused to let that slutty, racist, mean girl Charlotte, block her from achieving her goals. I HATED that Dustin totally slowed the story down by not telling Samantha what she so desperately needed to hear from him. Great story!
