After discovering his true identity, Thoran learns that he has a sister who was kidnapped ten years ago. When he travels to Crossover, his only intention is to gain information on her whereabouts, but fate has other plans. Thoran remembers a man from years before, a man he has never even spoken to but can't get out of his mind. When he finds out that Eaton has been sold to the local brothel by his very own father, Thoran mounts a rescue.

Eaton thinks his life is over. His father has sold him in order to pay back taxes on their blacksmith business. There is no hope. Or so he thought until a gorgeous Breed Assassin rescues him.

As the Breed Assassins search for Thoran's sister, Thoran must confront his own personal demons and decide how far he wants to go in order to give Eaton the one thing he truly desires. To be owned by Thoran.

Since Thoran was more concern about Eaton being a virgin instead of caring about how he was forced to be in a Brothel,dickhead Thoran for me never redeemed himself.

And when Thoran found out he was still a virgin and changed his behaviour towards Eaton, he really showed what a dickhead he really was.

I don't enjoyed a story if I dislike the MC.
