## **La Perfecta Cabrona en el trabajo** Elizabeth Hilts

Getting in touch with your Inner Bitch is important in that most challenging area for women-the workplace. This rowdy new guide is essential whether you're just starting out, climbing the ladder of success or opting out of the rat race to be an entrepreneur.

Learn how to handle everything your colleagues, customers, clients or employers can throw at you:

The true definition of success, on your own terms.

Does demanding excellence make you a bitch? I don't think so.

If you're climbing the ladder, make sure it's leaning against the right wall.

Conflict resolution isn't for sissies.

What to do if you're clearly in the wrong.

Is it true that if you're the boss, you're the bitch?

Going solo-entrepreneur and bitch aren't synonymous.

Full of helpful tips, insights and strategies for all women in the workplace who want what they want, and aren't afraid to speak their minds.

## Itzanamy Torres says

Un libro super recomendado, para saber lo que vales y darte cuenta o volver a darte cuenta de lo que vales. Y dar una recopilación de lo que quieres hacer de tu vida y como quieres que te traten los demás y tu misma. Me encantó.

---

## Jamie says

There's some pretty interesting ideas in this one. I love that she talks about how it's okay to be motivated at work and to admit it. And how to stop being a doormat. And how to deal with shady bosses, creepy coworkers, and bullies. I'm just not quite sure about her ease of continuing to use the word "bitch." I don't hear motivated and effective men owning up to and referring to themselves as dicks, or asses, or whatever term that comes to mind. Are we as women holding ourselves back because strong female opinions, such as this author's, take "bitch" as a synonym for expressing those opinions?

## Riversky says

Pregi: 1) Velocissimo da leggere. Basta avere una giornata libera nel week end.

2) Illuminante. La descrizione figura della "factotum", che si offre sempre di fare tutto ma non viene mai ricompensata con una promozione perché altrimenti non avrebbe più tempo per sobbarcarsi le "beghe" di tutti lascia molto da riflettere...

Difetti: 1) È un manuale! Scritto in stile americano, per cui non va preso come se fosse la "Bibbia".

2) Ha pochi consigli "pratici", serve per lo più a stimolare la riflessione.

Fraasi "preferite":

"Chi non ti aiuta a raggiungere la vetta di certo non ti aiuterà a restarci"

"Non occorre che io sappia tutto, esistono anche gli altri per quello."

"Se non hai successo al primo colpo, distruggi ogni prova dei tuoi tentativi."
