I've built an empire from fantasy. Your every desire, your most exotic dreams. I make them real, every night.

But secrets can destroy you too.

Now, it's all at risk. Because of her.

The story continues with Exposé' 2. Dax a hot dominant alpha male who runs The Underground and doesn't give anyone second chances when it comes to his business. If you mess up, you are out. Why then can't he just fire Kate (Zoe) and be done with it? What is it about her that he is drawn to? He catches her snooping in his office. She is looking for her big story that will give her the break she needs to get her foot in the door at a newspaper. She acts like she was waiting for him, but he sees through her bluff, and lets her walk out. The time has come for Dax to get his answers from her one way or the other. Someone is already threatening him with notes and someone from the past has come back into his life. Will Dax get his answers from Zoe? Will he find out she has been lying to him? Will she get her big story or will she fall head over heels for Dax and have a change of heart? So many questions need to be answered. I can't wait to see what happens next in Exposé'3.

I was given an ARC of this book in exchange for an honest review.

Rebecca says

Exposure is the name of the game for both Dax and Zoe, and for readers, that means we get to learn more about their backgrounds and their sexual desires. Both of them are trying to undercover one another's secrets, and while they do learn new things about each other, it's not what they truly want to know...or is it?

Zoe's quest for her dream job comes with a price, and it seems so does Dax's little empire because old acquaintances are popping back up, and as the threats continue, Dax is unclear about who truly wants what from him and what they're willing to do to get it.

Both Zoe and Dax find themselves in complicated situations at the end of book 2, so truths are going to have to be exposed in book 3, but how many cards are either willing to show in order to get what they want? That's the question I hope to get answers for as their story continues.

The dual points of view, sexual chemistry between Zoe and Dax, and secrets waiting to be unearthed make for a thrilling continuation to the story, which I'm sure will be even more intriguing as everything starts to unravel for both Zoe and Dax.

Amazing!!!

In the second part of this Sexy Hot Story, we learn a bit more about Dax and where he comes from, and maybe a bit more about who might be blackmailing him.

Dax is trying to decide if he should fire Kate (Zoe) or just let her keep working for him to watch her and see what her plan is.

And Zoe is thinking more about her story and how it's going to affect Dax the more time they spend together.

And the sexual inter actions between Dax and Zoe are just off the charts HOT!!!

And the ending!!! Man really... Roxy Sloane has this ability to make you want to throw you reader against the wall, because that was the end of the next part...

First reviewed at Smexy Does It

Zoe and Dax continue their sexy cat and mouse games in the second novella of The Expose series. Zoe is still determined to find out the secrets at The Underground, even if she is starting to feel a bit guilty about what she's doing. But, it's the story she needs and she is not about to back down now.

Another blackmail note arrives and someone from Dax's past makes an unwelcome appearance. Just how many fires does he have to put out? Guess we're going to find out.

Zoe finds herself back on Dax's desk after a bit of snooping. Only this time, she runs. Unfortunately for Zoe, her actions are only making Dax more suspicious and more interested.

When she does a bit of outside the club snooping, Zoe takes a bit (a big bit) of attitude back to the club with her. Sassing the boss is not encouraged and Zoe will pay for it – in the hottest way possible.

The cliffhanger this week is a big one. How does she explain this away?

I know that each week's installment is just going to get hotter and sexier. But Hot Damn.

Yes, I'll be the first one to admit that I'm loving the sexy story. Dax's dominance and Zoe's discovery of her submissive side. Yet, the mystery surrounding the notes and now another "threat" to Dax and his Underground... I'm lovin that part too.

Cannot wait for next week. *fans face and other body parts* April 20th cannot come fast enough! That's when the story continues...

Sexy and Suspenseful. I was at the edge of my seat throughout this book. Whether it was the screen melting

scenes between Dax and Zoe, the anxiety of trying to piece together who is after Dax or waiting for the other shoe to drop and Zoe be exposed, my attention was glued to the screen.

Dax comes face to face with a past he thought was exactly that, his past, and it doesn't appear to be going away any time soon. How will he protect himself and his business?

Zoe is still chasing her big break. Will she find and expose it or will she be discovered for who she really is?

I need the third installment now!

ARC received in exchange for an honest review.

So I am truly on the edge of my seat with this installment. It picked up right where the last left off and I am giddy!!!

Zoe feels horrible about deceiving her "boss" Dax but soon her guilt is nonexistent as she catches him what she believes is a lie of his own. Determined to ignore him even when ordered to report to his office when she gets into work, she finds that Dax is no man to be disrespected and he makes it undeniably clear with a little hot, sexy, spank-play.

He wants to uncover her secrets, but she wants to uncover his... Who will relent? Only time will tell...

I love love love this series. Waiting for more..

This story just keeps getting better and better. It is chock full of sexual tension, secrets, and betrayals. I can't get enough!

We pick up in the second installment right where book one left off. Dax and Zoe continue to fight the growing attraction between them while both trying to figure out the others secrets.

“I just have to focus on my undercover investigation—and ignore the devastatingly hot guy waiting to trip me up again.”

I really liked how we got to see more of Dax's background and I wonder how he will get out of his current predicament.

That demonstration scene at the club – holy shit! Panties are definitely optional!!! I seriously cannot wait for the next book. That cliffy Roxy left us with had my jaw hanging on the floor. What will happen now? ~

\*makes grabby hands\* I NEED BOOK THREE AND I NEED IT NOW! OMFG, that ending! This second installment in Roxy Sloane's *The Exposé* serial was holy-hell-I-need-a-minute hot and close-my-eyes-and-curse-the-author good!

After their close encounter, the chemistry between Zoe and Dax is at an all-time high, except she's hiding the truth from him and he's suspicious of her. Add in a new threat, and suddenly, all bets are off...

Part two was even more scorching, burning, sizzling, panty-melting, smoking hot and intriguing that the first installment in this series. Ms. Sloane is a master (a mistress?) of down and dirty, quick and easy reads with epic cliffhanger endings that make you simultaneously praise and curse her. I loved the way this one leapt right in and went no-holds-barred to the ending. The chemistry between Dax and Zoe was on point, and her sass and his dominance were electric when in the same room...or on the same page.

I can't wait to see what comes next for this couple! I am SO ready for the next book after being left, mouth agape, wondering WHAT could possibly happen next. GIMME, GIMME, GIMME! ~ Beth, 5 stars

The Expose 1 was amazing and 2 is twice as great! I can't imagine the story getting better, but I know it will with Roxy writing it. It has a great plot, intrigue, blackmail and is erotic perfection!

Dax, holy hot alpha...fanning myself. He is off the charts hot, loyal, determined, honest and ruthless. He is especially ruthless when crossed. What will he do when he finds out Kate is really Zoe?

Dax is being blackmailed and a mentor from past wants to go into business with him. Dax doesn't want anything to do with the illegal activities. He can't help but wonder if Kate has something to do with the blackmail. He doesn't trust her, but can't seem to stay away from her or get enough of her body. One taste and he loses his reserve.

Kate (Zoe) is really falling for Dax and feeling guilty for lying to him and everyone at The Underground, but she sees her dream in sight and sees no other way in obtaining it. Not only is her dream eating away at her, but so are her fantasies and realities with Dax. She is also discovering a hidden submissive in herself and enjoys Dax commanding her and waking her body up to releases it has never achieved before.

Cam and Isabelle make a guest appearance at The Underground.

Oh the cliffhanger...

## **The Expose 2 is on fire!**

As I read the Expose series I get more and more intrigued with Dax and Zoe . The cat and mouse game along with the sexual tension they have between each other is to much to handle in this book. You are not unable to put the book down because you want to what's going to happen next. I definitely recommend this book.

## **Candi~Dirty Laundry Review says**

Holy hell. It just gets better and better. We continue with Zoe/Kate and Dax's story in this 2nd installment. We get some more hot, kinky sexy times. And a certain favorite number of mine. There's also some of those suspenseful moments where it literally has your heart racing and all jumpy like it's you about to get caught doing something wrong. I love these kinds of books. It's the best of both. Mystery and suspense with a heaping side of dirty sexiness.

And then the ending. I can't take it!! I need MORE!! Now!!! How is Zoe going to get herself out of this predicament? Hopefully she'll be taken over a desk. Just sayin...

I will definitely be counting down the days for this next installment!!!

With **The Exposé 2** we get much deeper in the mystery of who is threatening Dax. Will he find out who it is, before it's too late?

Will he keep working with Zoe, even though he doesn't trust her? and how long could Zoe keep the lying to achieve her goals?

This second book will keep you on your toes wanting to know who is really behind all these threats. I keep saying is one person then saying oh no is this one, he looks guilty to me.

The hot factor in this one is a little less than the first one, but that's not a bad thing because we got the chance to learn a little bit more about Dax and Zoe live outside the "Underground". I like to have a story with the sex.

**Part #3 is coming on April 20th** and I can't really wait because that was an hell of a **cliffhanger!!!**

### **Kim Ginsberg says**

Follow Zoe and Dax in the aftermath of the desk escapade. What happens when Zoe goes back to the club? What happens when Dax wants to try to find out what she's hiding? What happens when he turns a demo into a punishment? What happens when she snoops into his life? What happens when a few blasts from Dax' past come back into the picture? The end will BLOW YOUR MIND! This is part 2 of the 4 book series! THIS IS A MUST READ!!!!
