Victorian San Francisco Mysteries: Books 1-4 M. Louisa Locke

The first four books in the romantic and suspenseful Victorian San Francisco Mystery series, *Maids of Misfortune*, *Uneasy Spirits*, *Bloody Lessons*, and *Deadly Proof* are bundled together at a substantial discount. This Boxed Set of cozy historical mysteries is the perfect gift for readers of any age and is a welcome companion to *Pilfered Promises*, the fifth book in the series.

Maids of Misfortune (over 1400 reviews, 4.2 stars) introduces Annie Fuller, a young widow who runs the O'Farrell Street boarding house and supplements her income by giving financial and domestic advice as Madam Sibyl. When one of Madam Sibyl's clients dies in mysterious circumstances, Annie goes undercover as domestic servant to find out the truth about his death. Against his better judgment, Nate Dawson, the Voss family lawyer finds himself drawn into helping in her investigations, alternatively fascinated and frustrated by Annie's independent nature.

Uneasy Spirits (over 600 reviews, 4.3 stars) finds Annie Fuller and Nate Dawson, assisted by the boarding house maid, Kathleen, delving into the world of 19th century Spiritualism in order to expose a fraudulent trance medium. She will soon find there are as many secrets as there are spirits swirling around the séance table. Some of those secrets will threaten the foundation of her career as Madam Sibyl and the future of her relationship with Nate Dawson, and, in time, they will threaten her very life itself.

In *Bloody Lessons* (over 350 reviews, 4.4 stars), Annie Fuller has been called in by her beau, Nate Dawson to find out who has been sending poison pen letters about the teachers of San Francisco. The case becomes personal when they discover that Nate's sister, Laura, may be one of the teachers under attack.

In *Deadly Proof* (over 350 reviews, 4.3 stars) Annie helps her fiancé, Nate Dawson, with a troubling case—defending a female typesetter who is accused of killing her employer. Complicating matters, Nate's sister decides to take the investigation into her own hands.

Great historical fiction

I really liked following Annie throughout the four books...the people she met, all the places she lived, the coverage of her life past and present. Good reading.

Kristin Cooke says

I love the way the author writes these. There is enough historical detail to make it interesting and the suspense in each books is perfect.

Great even second time around

This is the second time I've this set. I love every one of the books. The characters are warm and fun to know. Very well developed characters and plots with good depth. Victorian light mystery at its best. Always worth another read.

Ed says

Good story lines in a Dr. Watson sort of theme. Good descriptions of San Francisco.

Mystery and History FTW!

In the latest book our plucky heroine and her soon to be sister in law find themselves working at the local printer shop. It was fun learning the ins and outs of typesetting in the Victorian era. The interactions of the characters are well written and fun. I've really enjoyed this series.
