Khaled says

Non-traditional, new, and very motivating.

It made me ask myself, why to read about Alexander the Great or Thomas Addison while we Muslims have Abu Bakr Al Sedeeq, Omar Ibn Al Khattab, Omar Ibn Abd Al-Aziz, Ibn Al Qayem, Al Nawawy, Ibn Taymeyah, Al Bokhary.....and hundreds of amazing people?

Amina says

57 pages of motivation, this book is a must read, it shows the path to follow to become a better person, to enjoy life and work for our "akhira", I really enjoyed it :-)
