## After Hours Jessica Darian

When author Aidan Masters strolled into Sam Eckhart's office, he wasn't expecting a woman - especially one so stunning. Her professional demeanor makes him want to expose the hot-blooded woman behind the tailored business suits. Instead of working on his latest mystery, he finds himself plotting steamy scenarios with Sam.

With hard work and guidance from a tarot card, Sam is realizing her entrepreneurial dreams. She's turned off by the brusqueness of her current client, Aidan - but turned on by his dark good looks. When the reclusive author proposes an after-hours affair, she begins contemplating new uses for her drafting table. Spinning the Wheel of Fortune means welcoming opportunities . . . but Aidan could be one opportunity too risky to explore.
