All This And Snoopy, Too Charles M. Schulz

BEWARE OF SNOOPY? YES INDEED.

Snoopy is dangerously habit-forming. A real spellbinder. No one is safe from his reckless charm, his dashing antics, his dogged imagination.

But then who wants to be?

Lisa (Harmonybites) says

On the cover it says "Selected Cartoons from *You Can't Win, Charlie Brown, Vol. 1.*" it's around 120 pages of *Peanuts* comic strips from 1960 to 1962 and this is among the first books I ever owned. I was enchanted by these when I was about seven years old and think they're still capable of charming today's children. Looking at them still brings a smile.

Oceana2602 says

This is from parents' old comic collection. I remember looking through it when I was a kid and didn't speak one word of english. I don't remember what I thought about it, but I can say that I love the Peanuts today. (and I'm collecting the complete collection, so soon, these old books will be kept for nostalgic reasons only.

Jennifer says

Not my type of humour. Some are funny, but often not.

Barbara Brien says

Short, fun... just right for a quick break while cleaning the house.

Gary Vassallo says

I have loved Peanuts comic strips for many years and I still find them funny.

Mel says

I loved these books back in the late 60's. Every Christmas my Mum would put one in my stocking. Thanks Mum!

Fateme says

??? ?????? ?? ?????? ?????? ? ?????? ?????? ?????? ?? ?? ?????? ?????? ??????
???? ?? ??? ?????? ??? ??? ?????? ?????? ?????? ?? ?????????? ?????? ?????? ? ?????? ??? ??? ???.

Rick Bavera says

How can you not like the crew from Peanuts? They are addictive, just like peanuts.

I always get a laugh when I read any of the Peanuts strips. I miss seeing new strips, but am glad the old ones are still around making me and others happy.

This book was a good dose of humor at a time when I needed it.

Kaethe says

There were a lot of these Peanuts collections floating around the house when I was young. I'm guessing the occasional theological bit meant Cokesbury carried the. Or maybe my dad just liked Peanuts. Anyway, I gobbled 'em up like popcorn.

Jacob 705 says

Really funny and sarcastic.

Max Nemtsov says

? ?? ???? , ??? ??? ? ???? ?????????, ?? ??? ?????? ???????

Diego Salamanca says

Corto pero tierno y gracioso.

Rose Boyer says

I liked this vintage Charlie Brown alright. It's definitely dated to the era it was written.
