## **From Reader Review Charles Spurgeon (1834-1892) for online ebook**

### **CJ Scurria says**

How can a man who has had no collegiate training become a pastor and create a school to train thousands of pastors? This humble man did.

I read this book and was just amazed by the legacy he left. And that he told short but strong sermons when he would preach to his congregation.

I think this book is really neat and I hope that people read his story.

A man of Jesus who gave his full life to Christ.

---

### **Darren Sapp says**

Although a concise biography, it draws heavily from long quotations that makes it hard to read. It's as if several writers wrote this and thus breaks up the narrative flow.

---

### **Emily Woodham says**

I loved this book! But it's abridged. I look forward to reading a fuller biography of such a great man of faith!

---

### **John says**

A classic that is worth reading. I found it both encouraging and challenging.

---

### **Graham says**

I was inspired by the hard work and the unceasing care for "humanity" that seemed to characterize Spurgeon's life.

He was a famous man who truly never ceased to care about individual people.

---

### **Rhoda says**

A shortish, neat, and peaceful biography of Charles Spurgeon.
