**Cheronne Burks says**

### **What I learned**

Very detailed information about The Holy Spirit and the misconceptions believers have.  
Helped me. I'm intrigued by the Holy Spirit because HE is third part of the trinity but yet the neglected part.

**Shirley says**

**Very moving, you can tell this author is genuinely teaching the word of God.**

I don't care for the word ghost used to refer to the Holy Spirit. Other than that, I believe it too be true to form.

**David Ridenour says**

**Very easy book on the Holy Spirit!!!**

Easy explanations of the Holy Spirit and how He is seen in the Bible. Good book for those beginning this journey of discovering who and what is this third person of the Trinity and how He plays a role in our lives. Answers many questions for me of Him before Pentecost and after when He comes upon the Apostles.
