Includes stunning artwork from **Gary Erskine** (*Star Wars, Dan Dare, Doctor Who, Judge Dredd*).

Colonel Soraya Yamin, commander of the battle-ravaged space control cruiser *Phalanx*, engages the Lankies, a merciless alien species, in an apocalyptic assault over Mars. The Lankies, who have outgunned, outmaneuvered, and outfought humanity at every turn, have been menacing Earth's colonies. Facing insurmountable odds, Soraya must make a fateful choice between her sworn duty and the loved ones she desperately wants to protect.

### **Anthonia says**

This book has a lot of action in it. This book was going at a fast pace. It has a strong female lead which i love. Alien invaders to top off things. A great execution of it. It needed more character development and stories of the other characters. A must read

### **I.F. Adams says**

I wanted to like it, I really did. I love me some good sci-fi without the superhero flavor that permeates most sci-fi comics.... but you know, something just fell down here. It felt disconnected and flat. Part of the problem may just that I dont read a lot of comics/graphic novels but I had a hell of a time following along with the interleaved (I think) timelines.... also not gonna lie, the lankies didnt look at all right to me, but thats just a personal preference.
