Cast your line and reel in, PERFECT POND: THE BEGINNING.

Thirty-year-old, Classie Jones, AKA The Pond Skater, has the style of Marilyn Monroe and the elegance of Jacqueline Kennedy, two fashion influences of her mother, Julie Jones. At the age of sixteen, she reels in the love of her life, Jake Mercy, AKA Burly Bass, by using lures of style and attitude. A questionable affair between Jake and Jenny Taylor, AKA Seductive Squirrel, her childhood bully, causes her to move from small town, Tye, Texas, to the city of San Antonio, Texas, where she learns there is a time for everything. Will the bitterness from her past prevent her from returning home to confront her bully, in order to reconcile with Jake, or will she find the courage to fight it?

Be lured in, wade in PERFECT POND, and find Seductive Squirrel, Burly Bass, Scandalous Skunk, Bulletproof Beaver, and The Pond Skater, while catching feelings of love, hate, joy, romance, and surprise.

## **Pris Potter says**

"Perfect Pond: The Beginning" is a look into the life struggles of a young Christian woman in an imperfect world. Classie's (main character) insight on how to identify the people that you allow into your life (Pond Skater, Catfish, Burly Bass, Seductive Squirrel, etc) and how their life lessons influence your own life is a unique but real world perspective. The Characters are intriguing and easy to relate to. I found the book to be easy to read and I was left wanting more. I just received the 2nd book in the series today and I am looking forward to seeing the twists & turns in "Perfect Pond: The Pond Skater." Connie Perry did an excellent job on her book debut.

## **Joaquin Larriba says**

Perfect Pond: The Beginning, is a beautifully crafted story of the human experience. Rich characters share their independent struggles and victories through a well developed story line. You will fall in love with Classie and perhaps even identify with her virtues and insecurities. Connie Perry hits the nail on the head with her debut book, which generously provides a little of everything for everyone. Well done Connie, bravo! I highly recommend "Perfect Pond".

## **Debbie says**

I enjoyed the premise for the book - dealing with struggles and overcoming obstacles in a Christian woman's life. The story is in the present with flashbacks to the past - sometimes, I found it confusing if it was the present or in the past. Overall, to me, the characters didn't seem real.

I received a copy of this book in a Goodreads giveaway.
