Viking By Day Jo Grafford

Under constant attack, Branwyn and Eirik sail to his homeland with plans to marry in a fortnight. A giantess of the feared Jotun tribe meets them at the city gates, claiming she is also his fiancé according to a treaty arranged in his absence. By law, the two women must compete for Eirik's hand in marriage through the challenging and sometimes deadly Hand Fasting Games. If Branwyn loses, the man she loves will be forced to marry her opponent. If she wins, their marriage will likely spark another war with the Jotuns.

I won this book for free in a Goodreads Giveaway in exchange for a honest opinion

Wow. I really enjoyed this book. The romance felt real and not overly cheesy. The plot was interesting and intense. Would definitely recommend.

Janice says

A Review of Viking By Day by Jo Grafford

Gods and Mortals - 5 stars

This book focuses back on Eirik and Branwyn. They are finally ready to sail into the mystical city of New Dorset and proceed with their plans to marry. Branwyn learns that Eirik's mother, Lady Sif, is camped on the beachfront of the harbor. Evidently Eirik's father, the immortal god Thor, appeared to him in his dreams the night before, requesting he give his mother sanctuary. She had been driven away from her home by rogue giants. Branwyn also learns that Lady Sif is a giantess as she is half Jotun.

Upon their departure from the longship, they are met by Lady Sif and several Jotun giants. Eirik and Sven are embraced by their mother, but the other giantess behind her turns out to be a childhood friend of theirs, who claims she is his fiancé. It seems there had been a treaty arranged where she was promised to be his bride. Lady Sif proposes a set of hand fasting games. The winner will be declared Eirik's bride. If she loses, Eirik will be forced to marry Astrid, but if she wins, the Jotuns will probably declare another war. With this news, Branwyn and Eirik decide not to announce she is a healer.

I don't want to give away all the good parts, so make sure you read Viking For Hire and then this one. You will not be disappointed.

Shanna says

I received this novel through a Goodreads giveaway.

I read Viking for Hire (#1) and Viking Born (#2) before I read Viking by Day. I really like how the stories are short and can be read in one day. Vikings, witches, magic, and romance... can't go wrong! I like the characters and by the third book I really wanted to see what was going to happen to each character. I became invested in the lives of the characters, even though it was a quick read. I can't wait for the 4th book!

Janet Swiftbird says

The story continues with Branwyn and Erik and their steadfast love continues to hold through all the obstacles they have to endure.

All books so far are very short quick reads.

I am looking forward to Sven and Willow's continuing story.

Light always wins over the darkness

Amy says

Viking by Day is the third installment of the Viking Saga series. What a fabulous story! I enjoyed the look into the Handfasting Games and, of course, the romance. I love this series! Highly recommended!
