**Wesley Study Bible-NRSV** Joel B. Green (Editor)

Love God with a warmed heart. Serve God with active hands.

As God transforms readers through study, they will be inspired to transform the world. Contributors from across the Wesleyan family join together to help one experience God in fresh ways. The Wesley Study Bible offers easy-to-understand explanations of core terms that cover eternal life, forgiveness, grace, heaven, holiness, justice, and mission. The Bible has extended references to works by John Wesley.

## **From Reader Review Wesley Study Bible-NRSV for online ebook**

### **Timothy Stidham says**

This is very good study Bible. The best thing about it is how it feels in your hand or on your lap. It's excellent for reading (although the font is a little small). The next best thing is how practical the notes are. Not just endless historical trivia, but practical tips for living out the text in real life. The tag line is "a warm heart with active hands". It encourages faith and action which is a pretty good combo! It uses the NRSV which is a good translation.

The notes are from a Wesleyan perspective and some of my Nazarene friends actually wrote articles for it! Complaints: No concordance! Although they may have limited value, a study Bible needs one, period! Sometimes this bible has physical glitches (I was actually missing most of 1 Corinthians, although the very nice customer service team sent me a replacement). I'm told the leather edition has a better binding. A 2nd edition is in the works, possibly in a different translation, so keep an eye out. You can pick one up at [www.nph.com](http://www.nph.com) or at Cokesbury Bookstores, among others.

---

### **Norman Styers says**

The notes have a variety of contributors, and accordingly vary in their helpfulness, but in general they are helpful.

---

### **Jeff Bobin says**

Great study Bible with great notes helping to understand the theology of John Wesley and the history of Methodism.

---

### **Sarah says**

My Favorite Bible that I go to first. I love the Wesley and Methodist doctrine, theology and stories in the study part. As well as Charles Wesley's hymns throughout. This is the in the NRSV and Leather. Very nice.

---

### **Lori says**

I'm enjoying reading this version of the Bible as I've returned to my Methodist roots. I'm taking my mom and dad one each for Mother's Day and my dad's birthday. This version been useful in the year-long Disciple Bible Study I'm about to complete in that we twelve who are in this disciple group do want to know how Wesley and modern Methodism view certain scripture. So the short overviews of Wesleyan core terms really help with that. I'm keeping this under "currently reading" which is what I hope to do.

---

### **Jane Beck says**

One of the Best Bibles to study

---

### **Charles says**

A great study Bible with Wesleyan Core Terms and Applications that help to connect the reader to Wesley's thinking and sermons. A great way to connect Bible reading to Wesleyan theology!

Required reading for the Graduate Students in Youth Ministry that I teach.

---

### **Pastor Matt says**

I've had this on my shelf for a while and finally decided to work through it this year. I'm not a huge fan of the NRSV, having read the New Interpreter's Study Bible, the HarperCollins Study Bible and the Oxford Annotated NRSV--it improves on the RSV in some ways but not in others (especially in the Old Testament). The study notes are well crafted if not convincing on a whole. The leather is nice and the pages don't stick together easily. Recommended for mainline Wesleyans but others shouldn't waste their time.

---

### **Jim says**

This Bible has study notes based on John Wesley's teachings. That's the good. It doesn't have chapter-verse on the outside edge of the paper, so it's hard to find a reference.

The NRSV seems to lack cross-references at all and these are rarely mention in the study notes. For instance, when a NT book references the OT, there is no reference of the chapter-verse being quoted. This makes is an inferior study Bible.

My three star review reflects these lacking study features, not the Scriptural content itself.
