Jennifer Treviño says

This was an entertaining short story. It grabbed my attention quickly without question. At first I didn't fully understand the flashbacks vs. the present, & I felt the need to know more about this stony angelic creature. THEN a split second later it hit me like a lightning bolt as it all unraveled before me! ;•} I never even saw it coming!

If you like a quick read that packs a punch this should do the trick! :D

Sheri says

This is nothing like I thought it would be. I thought it was going to be a romance (I'm not one to read blurbs. Alexia is one of my favorite authors so I had to read this one). This short story, like all of her books, held me captive until the end. Great read.

Claire Taylor says

Alexia Purdy

Never Say Such Things (A Fall Into Darkness Story)

Fun and quick to read, this book definitely got my mind wondering what I would do in the same situation. I loved the twist at the end, it really put an interesting spin on this great story.

I received an e-copy from the author in exchange for an honest review.

Kelli says

This story was incredibly depressing. I'm glad it was over quickly because I would not have wanted to read any longer. I picked this novella up while it was free on Amazon since it had pretty good reviews. If you like happy endings, DO NOT READ THIS STORY.

Also, the way it was written was awkward. It was like half flashback and half present day, and it is was difficult to figure out the difference between the two.

Jenn says

I enjoyed it. I read reviews that said it was hard to follow, but I didn't have that problem at all, and can't see

why you would unless you're only half paying attention.
Short and quick read, but a decent one.

Wanda Hartzenberg says

This is an extremely short short story but the author managed to infuse it with detail and a richness that hooked me!

In the beginning I was a bit confused between the shift in flashbacks but it soon became apparent why the author chose to do this!

Writing a shortstory is an artform separate from novel writing, I think this author has mastered the craft after I have read this!

WaAr!

Amy says

This is my favorite book ever!! A man decides to take a shortcut to his classes and it may become a decision he regrets for the rest of his life! A short story but well worth the read!

Cindy Williams says

I am very impressed with the amount of detail put into such a short story. I was genuinely sorry the book was so short. I would love to see the story expanded. To go into the various ways that the character made his choices to appease the appetite of what I am going to call the soul gatherer. The soul gatherer wants something..... Who is your one true love? Would you betray that person? Would you give that person up to the soul gatherer? Read the book! Im telling you that you wont be disappointed and like me, you'll be wishing this wasnt such a short read.

L Bongiorno says

Yet, she took no one on that last day of the book, which was no real ending?!? I don't get it... none of it. Why a gargoyle? Why souls? Why demand this from him? Why allow it, since he was truly bad??? Blah!

Kara says

A morbid short story with a twist. Good free 5 minute read.

Tiffeny Moore says

this short story was a wonderful piece of work. this author has a gift for writing and i recommend her books as they are all wonderful

Kaila says

Amazing. I loved this.. it was very short but the start of an amazing series if she decides to run with it. The twists were awesome and I hope there will be more :)

Anne (Angel Anne Reviews) Nelson says

I received my copy of “Never Say Such Things” as a free read on Amazon. Thank you author Alexia Purdy for giving me as a avid reader of you the opportunity to read this short.

What a interesting short story, with a very thought provoking premise. I’m not going to say much about the actual story, as to do so would just give to much of it away. But I will say this.....

We all have secrets in our lives, but to what extent or size only we know. We all have choices to make in our lives also, some small while some are large. We are faced with them daily.....

The one huge questions this short brings to the forefront is.... Would you give your own soul to save the one you love???? HELL YES, in a heartbeat I would, over and over again if need be!!!!

Out of the darkness comes evil, and that evil wants something - it always does. It can be done quickly or it can take a life time. The choice is yours. What choice would you choose?

Well done Alexia Purdy for yet another great read.

Recommend: YA and up

Rating: 4.5/5 angel stars (only because I wanted more)

Angel Anne Reviews

Jacquie Talento says

Boy did this story catch me off guard. Alan has lived his life giving up a soul every year to the demon that he met in an alley one dark day. But is he willing to give up his true love to finally find peace? Great story by Ms. Purdy that was worth the read.

Jennifer Erwin says

This was interesting. It doesn't have a happy ending so if you have to have one, don't read this. It's a quick read, and it really made me think about the value I place on myself, friends, and things in my life.
