**The Gingerbread Man and the Leprechaun Loose at School** Laura Murray , Mike Lowery (Illustrations)  
A leprechaun is causing all kinds of trouble on St. Patrick's Day--but our popular Gingerbread Man is back to save the day!

After a mischievous leprechaun makes a mess of the band room, the Gingerbread Man vows to catch him. He follows the leprechaun's clues all around the building finding chaos everywhere--even in the library! But then he finds the worst clue of all. It says the leprechaun's next target might be a house made of gingerbread!

Luckily, the Gingerbread Man makes it to his classroom in time to set a trap for the leprechaun. He'll show that mischief maker that he messed with the wrong cookie this time.

**"I'm on a mission! I've got a good plan.  
I can catch him! I'm the Gingerbread Man!"**

### **Kelly says**

This was a cute book. I haven't read all of them in the series, but I did like this one. It reminded me of my time in elementary school when our teacher made up clues about a leprechaun loose either in our classroom or the school, and it was a fun hunt we went on.

---

### **Vicki says**

An okay leprechaun book for the elementary age child.

---

### **Kelly says**

This was a bit strange. A leprechaun is causing mischief at school, and the gingerbread man is out to find him. Huh?

---

### **Valerie says**

Thank you, KidLit Exchange network, for the review copy of this book! Opinion is my own! ? I LOVE THESE BOOKS! They are super fun to read out loud and the illustrations make me smile. What a great book to read in March! ? Plan a leprechaun hunt to go along with it!

---

### **Julie Kirchner says**

I shared Gingerbread Man Loose in the School during December and look forward to sharing this one with my K students next week in preparation for St. Patty's Day. I'm sure it will inspire some leprechaun trap building!

---

### **Jj says**

Well, this series is still pretty cute. Perhaps the charm is wearing a bit thin, but that's where the wee green leprechaun comes in! Laura Murray provides us with another fun rhyming story here, while Mike Lowery once again creates some great, bold-line illustrations which work well with the story's jovial tone and plot.

There are not nearly as many solid storytime-friendly picture books for St. Patrick's Day as you would think. This is a good addition, and will be fun to share. I also admit to being a sucker for the multi-hued book

rainbow that the leprechaun constructs in the library while creating his path o' destruction (albeit a limited, mostly mild-mannered path) through the school. It is seriously making me consider doing some sort of "build your own book rainbow" extension activity to complement the story.

Altogether, another solid entry in a fun series that kids will enjoy. Better still, you won't mind reading it aloud (this time, with FEELING!) and maybe also creating a little rainbow out of library books, just for kicks.

Thanks to the publisher for providing a review copy.

### **Jillian says**

I liked this one more than I thought I would! The text was great - the meter flowed well, and the rhymes never felt forced. The plot clipped along steadily, and I didn't feel rushed or dragged. This would be a great read-aloud (for kids who are older than my storytime littles, at least)!

Interest Level: K-3; Reading Level: 2.8

What happens at a school when a leprechaun is the one running and causing mischief? The Gingerbread Man has to come in and try to save the day. On a certain day in March a little leprechaun comes in, starts leaving notes around the school and leaving messes everywhere he goes. Can the leprechaun and his friends stop him from causing chaos all around the school? Read this precious book to find out.

I love the sing-song rhyming of this story. When I read this kind of book with my kids I love to pause and let them fill in the rhyming word. I cannot wait to read this in March!! Do not miss reading this book!!!

Thanks to the @kidlitexchange network for the review copy of this book - all opinions are my own.

### **Calista says**

My nephew is crazy about Gingerbread Men. He was sick today so he gets more stories than typical. I found this book about Leprechaun's for St. Patty's Day and Gingerbread Men. It was perfect for him. He loved the story.

The twist in this story is the Gingerbread man is not being chased. He is chasing the Leprechaun who is causing chaos. The Leprechaun didn't flush the toilet and it was all green. the Nephew thought this was hilarious.

I enjoyed the rhymes and the story was ok. It was fun to read.

Thanks to the @kidlitexchange network for the review copy of this book. All opinions are my own.

If you are looking for a St Patrick's Day read, look no further than The Gingerbread Man And The Leprechaun Loose At School. A fun, comic book style story about a mischievous leprechaun wreaking havoc at a school and a gingerbread man intent on catching him.

The leprechaun messes up the music room, the boy's bathroom, and even the library! Luckily, the gingerbread man has a papery plan to catch the cheeky green-hatted creature once and for all.

Told in rhyme, this is a fast-paced, witty read perfect for elementary school students. It is one of a series of books about the gingerbread man by the same author/illustrator team.

### **Katherine Kerber says**

Leprechan versus gingerbread man?! Who will be faster? Is the caught cookie doing that catching? Will the leprechan be so lucky?

---

### **Mary Ann says**

Terrific rhyming, humor and action make this a fantastic read aloud. Sparkling with mischief and fun.

---

### **Kate Olson says**

A seasonal addition to this series that will please those parents and teachers looking for a St. Patrick's Day title to add to their collection. There tends to be a shortage of "March" and St. P's Day titles for those teachers who like reading on themes, so this might be a nice way to round out a storytime. Lots of rhyming and a good way to expand on the traditional Gingerbread Man story as well.

Thanks to Kid Lit Exchange for the review copy of this title, all opinions are my own.

---

**Theresa Grissom says**

Younger students in my school love this series. They will like this one as well.

---

**Kim Harris says**

Very cute and fun to read. My pre k loved it. Nice addition to spring time reads.
