When the Enemy Strikes: The Keys to Winning Your Spiritual Battles Charles F. Stanley

Your enemy is strong. The battle is real. Prepare for victory.

Fear, discouragement, loneliness, anger, temptation. These struggles are common to every human. Yet not all circumstances or negative emotions originate within. They could be the result of a willful, coordinated assault of Satan.

In *When the Enemy Strikes*, best-selling author Dr. Charles Stanley explores the often-overlooked reality of spiritual warfare—the tactics used by Satan to taunt, confuse, slander, and harm. Your adversary wants to crush your will, delay your promise, hinder your destiny, destroy your relationships, and lead you into sin. Dr. Stanley reveals how you should respond.

The most important component of warfare, says Dr. Stanley, is the supremacy of God—both His sovereignty and His power. Practically, this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him. *His* strength crushes the enemy.

This is a world of conflict between good and evil, of powers beyond the merely human. The battle is unavoidable, but take heart! God has given you the strength to stand.

Alan W Bundy says

Charles Stanley has a way of communicating. This book is important for every Christian in understanding how the Enemy (Satan) works in our lives. We need to understand him so we can resist him.

Sandy Nowak says

Should be read by everyone you know!

Kay says

This book applies to every Christian. It is very practical in describing how Satan attacks and how we can respond victoriously. I will be re-reading this book in the near future.

Sharon says

Great Self-Help

Joey says

This is a very well written book. Everybody experiences Spiritual attacks at some point in their life, and this book shows you the right ways to fight back, and defend yourself. It teaches you about the enemy, and how he works. What his tactics are, his goals, and why he wants to destroy you. Then it also teaches you about God's love, and ways you can get closer to him, and move forward in your walk. Its a very good book, and I recommend it to every Christian, and every non-believer as well because it can and will touch you.

Rob Clarkin says

Reasonably astute handling of the matter of spiritual warfare. If you don't 'endorse' the Historic Christian faith, it probably won't resonate with you. But I've always admired Dr. Stanley, however outdated his "banking concept of preaching" is..In his fading era, he sought to represent God reasonably accurately. (It's disheartening that so few of his listeners absorbed much of what he modeled.

But again, Charles Stanley, while not a cerebral writer, still evinces a thorough knowledge of the primary variables which confront all of us as we "wrestle not against flesh and blood, but against powers and

principalities..." (Ephesians 6). Of course, if you're not acutely aware of the angelic realm, and/or the supernatural source of human life, you won't identify with what this book addresses....RCC (12-26-09)

Marisella says

Elaine says

I really got a lot of out of this book. A new way to look at Satan & his devious ways & to prepare for those attacks! Thank you, Dr. Stanley.

Dawn Brown says

Charles Stanley is a great teacher of the things of God. This book is no exception. Especially love his teaching on the Full Armor of God.

Chris says

I read this book in a day...I could NOT put it down. God has definitely given Dr. Stanley an awesome gift of talking to people in a language that they "get"

EXCELLENT BOOK!

Kenny Pecher says

I really enjoy Dr. Stanley's teaching. Some may call him old fashioned, but I would say that's one of the things that I appreciate the most about him. I found that he communicated all of the essential points of Spiritual Warfare very clearly. He really has a grip on the importance of prayer in the Believer's life and offers very helpful advice to anyone who struggles in this area. He points toward specific examples in Scripture to help us to know what to pray for and how to pray.

I found this book very beneficial at this particular point of my life and highly recommend it to anyone who is seeking a closer walk with God.

Bernard Baure says

I was torn at first, considering his prior history, but I prayed about it and let the details of the book speak for themselves. At the end I gained a new awareness of how the devil works in this world, and our most formidable weapon is the word of God. My next step is to make a commitment toward scripture and faith, this book helped me affirm that task.

Bill says

Stanley provides insight to equip, encourage, and empower every Christian for spiritual warfare. Written in a winsome way that keeps you turning pages and jotting down notes.

Tonie Mapson says
