Fokus fashion banget juga.. lama-lama bosen, ya? Heuheu, tapi suka pas Shuu (kakaknya Kuranosuke) biasa aja pas tau 'kebenaran' tentang versi before/after-nya Tsukimi :3

If you've made it this far, you have to finish. The story is great and so is the art. I love this manga.

Todo muy intenso. Me encanta. Ver a Mayaya así... No me lo esperaba. Sabía que en algún momento veríamos algo sobre ella, pero wow. Ahora quiero saber más de este personaje incluso, cuando me caía un poco mal por lo pendeja que suele ser xD

J'ai préféré Mayaya dans ce sixième tome ou elle est un peu plus mise en avant. J'aime beaucoup aussi le père et l'oncle de Kuranosuke, ils me font rire quand ils partent dans leurs délires.

Sookies says

Encore un tome délirant ! J'ai bien aimé voir Mayaya au devant de la scène et en apprendre un peu plus sur elle car jusqu'à présent elle se tenait assez en retrait mise à part quand elle poussait ses petits cris étranges !

Lovely art, story and characters.

Elinor Master of Gifs says

Toujours aussi bon, j'adore cette série !

Kuranosuke's crazy plan of making Jellyfish clothing brand continues along. One of Chieko's friends can even make patterns & sew. Oh, but there's a catch! It's only in Blythe doll sizes!

Alas, if only anyone in this crazy band realized how much insane money could have been made from Blythe & Ball-Jointed Dolls clothes...

Yue says

Mayaya-san becomes a model! Of course she paralyzes and does not want to, but Kuranosuke is a master at bribe XD

My favorite part is where the AMARS (+ the Blythe doll otaku) and Kuranosuke staid up all night making the dresses. Kuranosuke was so tired and sweaty he wasn't wearing any make-up or wig (he was, basically, just being himself) and Chieko-san was all "you really look like a guy without the make up" hahaha.

For the party, he dressed up as a boy but with the excuse of his family wanting him to dress as a boy. The AMARS were ok with that XD Slowly, without meaning to, the AMARS are getting comfortable with the male version of Kurako XD

Syuu (oniisan's name!) and the virgin-killer meet again.

Next: the runway show! Models: Kurako and Mayaya. Place: Amars' building.
