### **Aidan David says**

I Love Pokemon. <3

---

### **Kaisa Mettille says**

great artwork.

---

### **Jessica ? says**

Perfect for tiny Pokemon fans.

---

### **Joseph D. says**

used it is so awsome one of the best kinds of books

---

### **Sherry says**

This is one of those books that I really love and recommend for any age. The only real issue was that it was too easy. The pokemon you were to find had the background shown as well making it much easier than it could have been. But, still, it was enjoyable and the art was beautiful as well. Always a plus!

### **Thanaphon Yoorum says**

When I was young, I like to watch it.

---

### **Tristan says**

lazy

---

**Julianne R. says**

Not a full 5 stars. But i must admit i LOVE the look n finds!!!!

---

**Dylan Whittier says**

I like this book be cos I like pokemon and if you like this book then shear with we your comment.

---

**Chris Young says**

Although it's a Pokémon book it seems like all it has is to find out where the Pokémon are hiding. It's as if this book is only about finding Pokémon.

---

**Chris says**

This is the perfect "I SPY" about Poke'mon

---

**Seth Buikema says**

There is nothing wrong with pokemon, it is amazing
