## **Christine says**

It was a rather quick read, but cute.

## **Alina says**

Love this book. Own it and read it once every couple of years. A great love story. I just wish it was more than 2 volumes.

---

## **Rick says**

This was fun, despite a couple of weird translation malfunctions, but it wasn't great. Some inconsistencies in the art and the characterizations were a little stereotypical. So there wasn't much to really grab my attention. Nothing bad about it, just rather typical and exactly what would be expected.

## **Niki Smith says**

"Rape and obsessive stalking = true love" isn't really my thing.

---

## **Sal says**

Sexy as hell, and awesome as... Damn, it was good. Compelling making me feel a lot, but want a lot more. Satisfaction, but the need for more.
