Gavin says

Aimed at kids, based on animated show obviously. Annihilus sends Skaar to invade, he's stopped by Hulk and Red Hulk, assist from Rick Jones. But when Skaar escapes, who pays the price?

Mary says

More of a storyboard of a TV episode

Like the end suggests, it is a tie in for the XD series. As such, the art is more like the tv show and very fuzzy at that. Not a great transfer for comics and gives no context of the story for those not watching the show.
