Stormie Omartian

Stormie: A Story of Forgiveness and Healing Stormie Omartian

"I have a burning desire to tell people who are hurting that there is a way out of their pain...There is hope for their lives."

Stormie Omartian tells her compelling story of a childhood marred by physical and emotional abuse that eventually led her into the occult, drugs, and tragic relationships.

Finding herself overwhelmed by fear and on the verge of suicide, she shares with us the turning point that changed her life and reveals the healing process that brought freedom and wholeness beyond what she ever imagined.

In this poignant drama, there is help and hope for anyone who has been scarred by the past or feels imprisoned by deep emotional needs. It is a glorious story of how God can bring life out of death.

Viv says

My life has been very similar in a lot of ways, and it was very encouraging and inspiring to read how God rescued Stormie from the pits of despair and restored her to what she is today. I can say that my testimony is of God's grace, love and faithfulness - He never left me to self destruct.

As the Word says in Psalm 63 vs 3 - 4: His love IS better than life!!

Heather says

Stormie Omartian's mother was mentally ill, and her illness affected her childhood and young adolescence significantly. Her story will move your heart and make you think twice about the "horrible" childhood you endured. A book that one must read to get out of their "pit of despair" and wallowing in the challenges you've had to face in life. Her life will put yours in perspective.

Amy Flink says

What an awesome book! I could hardly put it down. As a child, Stormie experiences physical and emotional abuse from her mentally ill mother, which led to Stormie making poor choices in her young adulthood. As an adult she experiences healing and forgiveness through Jesus Christ. This book led me to give my life to the Lord eight years back, and I've been with Him ever since!

Amy says

This book is amazing, and it's highly possible that everyone I know will get a copy of it.

I've read three of her books on prayer (Power of a Praying Wife... POAP-Parent... POAP-Woman). In them, she sometimes refers to past mistakes and to abuse. Because she seems so composed, I was not prepared for the reality about her life. I am glad that I read her other books before I read this one. It's given me new appreciation for what she has accomplished over time.

Cingashe Nogaya says

This book really shows us how far we can all travel in order to live the life we want - its possible. Stormie is proof.

It is real and I can relate to it. Although our upbringings are different never underestimate the power of empathy. Awesome discovery. And its a simple read.

Emmalisa Tilli says

One of the best testimonies I have ever read!! stormie shows how her life went from bad, to good, and then to worse. Life is a struggle for those who experience a negative event & Stormie exemplifies how she experienced & accepted the hope of Christ in the end. A truly amazing story! & well written.

Vee says

Oh my gosh! This book was really something. It was a wierd strange thing how it just weaved its way into my life so innocently and once I picked it up, it was exactly what I needed.

I swear, me and Stormie have lived the same childhood. WOW. I had no idea there was another out there. I feel like she's my soul sister and I need to call her and meet her for coffee and embrace her for a long inappropriate time and tell her how much this book has meant to me. Such a BRAVE story to write. Incredible.

This work gave me peace, gave me hope, allowed me to see that I can come out of this... with all my sanity, without compromising.

Joanna Coleman says

Reading Stormie Omartian, A story of forgiveness and healing, was such a revelation, encouraging and true inspiration for me. I couldn't put it down and became a fan of all her books.

Malinda says

Quick and great read; very encouraging. I think it's a wonderful book for anyone interested in reading about someone's journey to know and develop a relationship with Jesus Christ. It's just one story of many, but a story that takes you from the beginning of someone who is struggling in life, and eventually makes it to the point of complete restoration.

Nelda says

Having trouble forgiving your parents? Any poor decisions from your past? You must read this book! It will bring you to tears!!

Michelle says

Absolutly Amazing story of what your faith in God can do in a troubled life.

Tara Parker says

This book was one I finished in a day. I admire this lady so much!! It's a story of blessed hope!

Jennifer says

Stormie was so open and candid about her past and all that she has been though. Makes me love all of her Power of the Praying series even more. She has had an amazing journey and has become such a great woman of faith through all of it. What I took away most from this book was all of the hard work she had to do to work through all of the layers of pain, anger, sin and baggage in her life to grow closer to God and to be able to become the person she was meant to be. I learned a lot about her experiences of fasting, counseling, prayer and healing. Want to learn more about it and apply those things to my life and spiritual growth.

Moraima Monasterio says

fue el segundo libro de Stormie Omartian que leí, lo leí en una semana, pude valorar más el libro de el poder de la esposa que ora y agradecí a Dios por mis padre, y estoy alerta de como trato a mis hijos excelente libro

Sil says

This was a life-changing book for me.I must read for the ones with deep pain from the past.
