**The Miracle of the Scarlet Thread Expanded Edition: Revealing the Power of the Blood of Jesus from Genesis to Revelation** Richard Booker

**Every story is about Him.**

A single, scarlet thread runs through the entire Bible, weaving a beautiful garment of salvation from Genesis to Revelation. This thread shows how the Old and New Testament fit together to tell one complete story.

*This sacred thread is the blood covenant Jesus made with God for you.*

Uncover the grand narrative of Jesus' sacrifice, as it is powerfully and prophetically woven through the Scriptures beginning with the covenant rituals, Adam and Eve, Abraham, Moses and the prophets.

With three powerful new chapters, this expanded edition of the classic bestseller, *The Miracle of the Scarlet Thread*, is your invitation to step into the story of redemption—not merely as a reader, but as a participant.

**Discover** the prophetic origins of the New Testament's promise for believers and how they picture Jesus in every book of the Bible. **Experience** personally the deep significance of the covenants, the Passover, crossing the threshold and eating the salt of the covenant. **Enter** the manifest presence of God through the ancient invitation of the Tabernacle, the High Priest and the sacrificial offerings.

**Have a fresh encounter with God and the  
supernatural power of the blood of Jesus!**

## **From Reader Review The Miracle of the Scarlet Thread Expanded Edition: Revealing the Power of the Blood of Jesus from Genesis to Revelation for online ebook**

### **Ogz says**

?? the story of the cross and Christ's love for the CHURCH neatly and deeply woven from the beginning. So many points to note. It's a 3 star because most of what was mentioned aren't new to me, they are standard Sunday school lessons at my denomination. The points highlighted are very valid, crucial and form the basis of our faith. From this book, I saw why it was mentioned in Ephesians about Husbands loving their wives and how Christ's relationship with the CHURCH equates to marital relationship. If we bear this in mind at all times, there'll be reduced divorces in Christiandom.

#### **The Miracle of the Scarlet Thread**

I found the book to be interesting and seemed to me to be a college course. It was very good but Pastor Booker repeated himself over and over again. I guess he just wanted to get his point across.

o be a form of a theses

---

### **Karl says**

This book is a must read for any Bible student. It sets a firm ground work for not only understanding scripture, but for understanding the connection between the Tanakh (Old Testament) and the New Testament. This book will help Bible students "put the pieces together."

---

### **Meowzette says**

#### **A treasure of information**

This is an awesome book - A wealth of newfound knowledge, and linkages between the Old and New Testaments. Great study section in the back of the book. Worth the read.

---

### **Jacquelyn Porter says**

A foundational book that should be read by every Christian!! It outlines the meaning of a covenant and makes it crystal clear why Jesus died in our place and reveals without a doubt that God has given us all good

things and doesn't hold back!

---

### **Susan Peterman says**

#### **The scarlet thread**

The Sackett thread that weaves it's way from Genesis to Revelation is truly a remarkable story of how The One True God has provided for us even before the beginning of time.

---

### **Andrea DeGennaro says**

I have been reading the Bible for a few years now and this book really connected the dots for me. I had a lot of "aha" moments. I would recommend this book to anyone who is a novice, as I am, in reading the Bible.

---

### **Lee Rubsam says**

I loved this book! I learned so much about how Jesus was foretold in the most minute details of the Old Testament sacrifices, tabernacle furnishings, and feasts of the Israelites. I now have a fuller understanding of what biblical covenant is, and what that means in my relationship with God. If you love learning about Bible symbolism and typology, you will enjoy this book.

---

### **Patricia Coon says**

I think the symbolism is enrichment for my faith because God verifies much of what we see in this book about Jesus and the covenant. As a student of Bible for close to 40 years, I'm bothered by some of the author's opinions being presented as claims of well known fact.

I'd encourage you to use discernment as you read. Research in the Bible what he says. There's no evidence in scripture that I've ever seen that what he quotes Mephibosheth and David to have said in chapter two about having animosities ever happened. Why Booker doesn't state these ideas as his own suppositions, I don't know but I find that misrepresentation uncomfortable.

He tells us in chapter three that Jesus was crucified "on the very mountain" that Abraham saw God provide a sacrifice for him in place of Isaac. Though that's a belief held by some, it's not a proven fact and should not be presented as if it's true in my opinion.

The Bible warns us not to add to or take away from it. I recommend being careful and prayerful if you read this book. New Christians who don't know Bible well can learn inaccurate things and base their faith in them. There's enough wonder in the Bible without embellishments by doctors of divinity.

---

### **Calla says**

**A Must -Read for Anyone Searching for a Deeper Understanding of the Bible**

I read this book as my first step in preparation for this year's Lenten/Easter season, and am not disappointed. Dr. Booker has done an amazing job of explaining how the ancient stories and customs described in the Bible point unerringly to Christ, and demonstrating this clearly and articulately to modern people who have no concept or frame of reference for the traditions described. I rarely give a 5-Star rating and reserve them for books that touch my soul; the rare gems that become not only permanent parts of my personal library to be read over and over, but that also become part of my being. This is one of those books.

---

### **Ellen says**

#### **The Miracle of the Scarlet Thread**

I really went into this book to follow the scarlet thread. I was not disappointed.. I learned several things I had not learned in previous studies, and, had good reviews from other studies I had done. I would recommend this book to anyone wanting a deeper Biblical understanding of how God is so amazing and entertaining to those who really want to know.

---

### **THIAGO MACHADO says**

#### **Must read book**

The most profound and well explained book about the biblical covenants. Dr. Booker goes where others don't dare to go. He explains the biblical covenants by the eyes of a Eastern Culture, creating a right atmosphere to understand the meaning of some key points in the Bible.

---

### **Cathy Schmidt-Writesel says**

A lot of information in regards to the blood covenant, salt covenant and threshold covenant. A must read for sure.

---

### **Lynn Smith says**

I grew up in church but pretty much did not like reading the Bible. All I had was the King James Version. It wasn't until I was older when several translations were available which made the Word of God much more readable and understandable. I've read through the Bible several times in my life. But I never really liked reading the Old Testament. There were a few parts that I enjoyed (such as stories in Genesis). I pretty much detested Leviticus and couldn't understand why it was even in the Bible. And I pretty much could have just thrown away my Old Testament. Many people will tell new believers to start reading the New Testament.

If you've ever had trouble reading or understanding the Old Testament, I highly recommend this book. This book explains how the story of Jesus is woven from beginning to end of the Word of God. It completely explains the sacrificial system of the Old Testament, what each element symbolized and why it was

necessary. The reading level is easy for any lay person to understand. Even as a 55 year old man with a bachelor's degree in religion and a lifetime of church under my belt, this book helped me to understand the Word of God in a way I had not before.

I cannot say enough good things about this book. I recommend its reading by everyone from new believer to biblical scholar to lifelong Christian.

---

### **Bonnie Fournier says**

**Excellent modern explanation of the covenants and prophisies. If I were not already a believe this book would have made me one. Such an inspiring book should be read by every bible study group. I dont know I am having so much difficulty submitting this positive review.**
