Rebecca says

Eye candy of the highest degree, from a fashion photographer whose scenes are a special kind of decadent fantasy. Includes scrapbooks & sketchbooks. I have a gift card and I think I'm buying this massive thing (but the collector's edition is available from OhioLINK).

Roman says

Great, imaginative fashion photography in a beautiful large format book.

James Moes says

An impressive coffee table book that reveals Tim Walker's imaginative and absurdly beautiful photography - much of his work was for European editions of Vogue. Happy to own this.

niels says

an amazing book.

i wish it wasn't that expensive!!!!

has been looking through all of the pages, i'd love some time with it, so i could read the actual text.

His photos are truly stunning. i wish i could take as good pictures as him.

ah well, maybe someday :)

Allison Jones says

Pure inspiration

Susan says

I want this so bad but it's \$125!

Meredith says

I love his photographs.

J K says

Gorgeous, inspiring, fantastic :-) and will reward a re-examination over the year. Gigantic art book, not to be carried lightly....

Sarah says

I've been trying to get this title via inter-library loan for 3 years and it finally came through! Wonderful photos, worth the wait!

Heleenschr says

It's a wonderful glimpse in the brains of Tim Walker

Jade says

Visually mind blowing!
