Westward Visions Linda Bridey

A clean historical western cowboy romance novel about a mail order bride.

Montana Mail Order Brides - Westward Series Book 12

Reckless Wolf on the Hill is a Lakota brave who lives near Dawson, Montana. He's a fun-loving, fierce warrior who is in search of a bride. However, there are no women in their tribe who catches his eye, especially because most of them are related to him. Courting a woman from Dawson is out of the question because no woman he knows there would ever live in an Indian village. After voicing his frustrations to his friend Abby Bradbury, she convinces him to search for a bride with a tribe she was friends with in Wabasha, Minnesota. Reckless is always willing to do the unexpected or come up with creative ways to solve problems and decides to give it a chance.

Whispering Brook is a Lakota maiden who's romantic future looks bleak due to a familial tragedy. Considered bad luck by most of the tribe now, none of the younger braves wish to court Brook. When Abby first contacts her family about this Montana brave who is looking for a bride, Brook is filled with dread at the thought of marrying someone she has never met. Her parents accept this Reckless' proposal, however, because he offers a very good bride price. Though it is unusual, her parents agree to let Brook exchange letters with Reckless if it will ease their beloved daughter's mind about the man.

By the time her family makes the trip to Dawson, Brook is smitten with Reckless and even more so upon meeting him. He's handsome, charismatic, and lives up to his name. Reckless finds Brook beautiful, sweet, and spirited; just what he's been looking for in a woman. Their romance blossoms and they are soon married. The young couple is happier than they ever expected until a devastating tragedy befalls the tribe and creates tension and heartache for all—including them. Reckless and Brook face an uncertain future when pride and anger threatens to divide them for good. Can they get past these obstacles to ensure their visions of a life together?

I love the aspect of the visions and the story focusing on Reckless and his culture. I am hoping to read a story on Mike soon. That should be interesting.

This was an interesting read for me. In this book in the series we get Reckless' story. He is a Lakota Indian and is looking for a bride. The story was pretty interesting to get a deeper look at the customs of the tribe. I did enjoy it a great deal. Looking forward to the next one.

Tracy Sylvester says

This historical romance centered around the Lakota tribe heritage and early days of tribes interacting with the people outside of the tribes where they lived. Reckless is from a Lakota tribe in Montana. Brook is a maiden from a Lakota tribe out of Minnesota and becomes the mail order bride of Reckless after corresponding via letters for a few months. This was an interesting story about the Lakota tribe their way of life and how they court one another.

A Vision fire

Reckless corresponds with Brook who is a member of another tribe.. Brook and Reckless form a strong bond.

which leads to her coming to Dawson with her family. A wedding is planned and held with many other Dawson residents in attendance. They are both happy.

However, Reckless's visions and a fire that destroys their village threaten their relationship. In fact, they divorce and both are miserable.

Eventually they are reconciled and life continues on.
