Nachdem ich den vierten Band nun auch beendet habe, liebe ich die Reihe schon. Sie ist wirklich toll. Hier geht es weiter mit der Liebe, Youri versucht alles um an Kou heran zu kommen, Futaba macht das irgendwie eher unabsichtlich und denkt sich nichts dabei. Mir tut Youri immer sehr leid, da sie nur sieht, wie Futaba und Kou Zeit miteinander verbringen, aber sie nicht.

Einen kleinen Spannungsmoment gibt es, als Futaba sich denkt, dass Youri und Kou sich geküsst haben, doch es gibt ein ganz anderes Geheimnis. Dieses stimmte mich traurig und ich konnte Kou plötzlich besser verstehen. Man erfährt auch mehr von ihm und was ihm in den letzten Jahren widerfahren ist. Dadurch wurde er mir auch sympathischer.

Ich bin gespannt, wie es mit der Gruppe weiter geht.

La autora logra mostrar el contenido de nuestros corazones de una manera perfecta.

Kou es el hombre de mi vida.

¿Para qué leer la primavera de nuestras vidas?

1. Por que llore mucho, conocer la historia de la mamá de kou me remontó a un recuerdo y rompió mis adentros.

2. La naturaleza de la tristeza y el dolor en la amistad y en la familia se hacen presentes.

3. Pase de un llanto a una risa y a gritar de la emoción cuando vi que tenía celoooos.

Este tomó ha sido el mejor hasta el momento.

School is in two days and I am fitting as much reading as I can before it starts. I feel like I won't have anytime to read because of what happened last year. I only have a limited amount of time during the school year, and I hope to use as much of my summer time to do the things I love. I read another volume and I am going to read more after this review. I haven't read a novel in awhile but I will soon.

Futaba was a girl who hated guys, she was isolated by her peers because everyone was attracted to her. The only guy she ever liked was Kou, the guy who was less manly, gentle and shorter than the other boys in his

grade. Before the two of them can meet up and get closer, Kou moved away and disappeared from Futaba's life. A few years later, Futaba decides to eat more, and act more aggressive so that she won't be that attractive to the guys in her grade. This helps her get friends, but they aren't real friends. She never expects to run into Kou again, and she isn't the only one who's changed.

I am loving where this series is going, as I read more, I ship these two more and more! I love how all of the characters support each other and are impacting each other's lives. I love how happy the characters are to be in each other's company. The only problem I have is that they need to communicate more and talk about what is going on instead of hiding everything. I'm talking to you, Kou! Futaba is trying her best and her friend Yuri is as well.

I am loving the pacing, it is super fast, I am always surprised when I am finished a volume.

I recommend this series to everyone, and I'll be off to read more!

New character to create love triangle!! And he is adorable!! The main character is really cute and naive in a lovable way and the bad boy is confusing me with his mood swings.

## Leanne Crabtree says

Yeah, I'm obsessed with this manga. The friendship, the budding romances, the funny scenes. It has everything I like in a story.

It's probably just going to make me wait until #13 before Kou and Futaba get together lol.

Sin duda este es de mis tomos favoritos.

Se indaga más sobre el triste pasado de Kou, nos presentan al adorable de Touma y nos dejan con un final perfecto.

"Even if Kou is still walking in darkness, we'll become signs...showing him the way out"

"I'll definitely find it. I'll keep looking. Because it seems like your eyes might show a reflection of your heart."

*my first fan-made gif. Futaba's crying expressions.*

THIS VOLUME MADE ME SHED TEARS.

too bad my tears aren't manga-styled... look at Futaba's tears; they're so spherical... ~~I want to eat them~~

Okay so in this volume, Futaba wants to break down the "doors" that Kou set up. She wants to reach his heart. She knows that Kou is lost and confused. Futaba is really insistent, so when Kou finally opens up about his past, she tries her best to show "him the way out" of darkness. Did she succeed? Read and find out. Seriously, you have to read this volume. **The emotions are captivating.**

Hehehe... and be prepare for, what I call, the "library guy accident"... new character... Kou, seems like you have some competition now.

(I really adore Futaba's insistent nature...)

MANGAREALLY SWEETENS MY LIFE

### **Archit Ojha says**

The love triangle is the spice this series needed and here you have it. The story explores the hidden feelings of the characters. They are utterly cute and share a bond which can be only seen in movies.
