## A Game of Hearts T.C. Blue

What's the difference between a fling and a relationship? Three spies are about to find out.

Morgan and Simon are settled and happy together, or as much as they can be given their high-octane positions as operatives of the Farmingdale Gentleman's Club. So why are they both having unexpected longings and thoughts about their teammate, River? Sure, he's gorgeous but he's a bit of a player, and neither Simon nor Morgan are willing to risk their relationship on a fling.

Try as he might, River can't seem to resist his attraction to his team leader, Simon, or Simon's mate, Morgan. He also can't quite let himself intrude on their relationship until he receives a rather unique offer from the two men. It's a fairly casual arrangement, but when things get rocky on a Game in Prague, things come to a head.

Can three very different men find a way to make love work? Easier said than done, especially when the past seems determined to complicate the future.

## From Reader Review A Game of Hearts for online ebook

### Anke says

3-3.5\*

Much better than the previous book. I liked the dynamics between the three men, the whole book had a good balance between relationship and job. I was not a fan of the names of the siblings, it was eye-roll-worthy. Thankfully the kid was toned down in this book.

---

### Tam says

I haven't read any of the other books in this series, but I was in the mood for a m/m/m so I picked it up. You don't really need to have read the others, it's pretty clear what the deal is. They work for a private organization, sort of mercenaries but I suppose mostly erring on the side of good. Simon and Morgan are a couple who work on the same team and River (and his twin sister) also work on the team. Often River sleeps with their marks to distract them or get information. However as all three guys are eyeballing each other, the couple decide to just have a little fling and River's all for it. Although before long, it's more than just a fling even if none of them are quite ready to admit it. It takes a job gone wrong in Prague to get their heads out of their asses.

I enjoyed it okay, I really liked River, but by the end I was kind of bored with the sex which is unusual. There was nothing wrong with it, I just wanted to get to the declarations of love. Maybe I'm getting old? I was kind of hoping there's be more about Prague as I'd lived there, but on the whole, it was okay and if you are in the mood for a menage it fills the bill, even though I might have found it a bit more rewarding if I'd read the others, but enough background is giving to make it clear.

---

### Amy says

This one has got to be my favorite of the series. I am hoping we get Zeke and Sky's story next, I think they would make a great couple.

---

### Mandy\*reads obsessively\* says

I haven't read any of this series ( at least I don't think I have) but I was having a withdrawal from m/m/m and this one seemed like a good choice.

Here's hoping ....

3.75\*

Ok, I'm not surprising anyone by saying I **love my m/m/m books!**

And I've enjoyed this author's books so I wanted to try this one.

I haven't read any of the series, but it don't think you have to. I'm sure it would help a little, but I never felt

lost or confused by reading this as a standalone.

It's a little heavy on the sex (I'm not necessarily complaining) and low on the angst, some action and a set-up for the next book.
