Constantine's Defiant Mistress Sharon Kendrick

HOUSEKEEPER --- AT THE GREEK'S BECK AND CALL!

Constantine Karantinos is Greek through and through! When he learns he has an heir he'll do anything to claim him. Even if he finds it hard to remember bedding Laura --- she was nothing more than a mousy little waitress! Maybe if he were to have her again, it would refresh his memory ...

Now that Constantine has summoned Laura to Greece, she's more stubborn than he recalls. Determined to pay her way as housekeeper, by day she insists on cooking and cleaning. However, by night Constantine demands she fulfill her bedroom duties ...

M White says

Great

I enjoyed this so much that I finished it in one go, just couldn't put it down. A good storyline e and lovely chatacters !!

Jenny says

Steamy love story full of passion but don't read this if you don't like cruel alpha heroes.

iamGamz says

Location: Somewhere in Greece

Laura fell in love with Constantine after spending one memorable (for her) night with him. She gave him her virginity and he gave her a baby boy, Alex.

Seven years later, she learns that Constantine is throwing a huge gala in London and is planning to her engaged to his gorgeous model girlfriend. Laura panics and realizes that this is her best chance to tell him that he has a son. So she does what all the heroines in hplandia do and she finds a way to get close to him to tell him the truth.

Well, he's not happy about the truth. Demands proof. Is just downright nasty. Eventually gives in, accepts the boy is his and coldly proposes marriage. Cause nothing says marry me like I dislike you but you had my baby, so marry me.

When he gets turned down *gasp!*, he takes mother and child to Greece to see his old, ailing father and present the next generation to him. The h pretends to be a cleaner in his father's house because she didn't want to show up as just his baby mama. I still don't understand that reasoning.

There's lots of sex, lots of angst, lots of opportunity to smack the H upside his arrogant, obnoxious head. I enjoyed the ridiculousness of the story and was glad the tiny, fragile looking h made the big alpha male humble himself.

Uchatadara says

Diawal cerita gue kagum dengan heroine yang berusaha menembus 'benteng' hero untuk memberi tahu hasil ONS mereka. Bahkan sangking brengseknya si hero yang selalu ngehina kedudukan Laura bikin gue simpati.

Tapi konflik berkembang dan cerita jadi makin menyebalkan. Si Hero kerjanya hanya menayalahkan heroine, dan Heroine terlalu lemah untuk membantah bahkan terkesan pasrah. Beda banget sama sikap dia diawal. Endingnya bahkan makin menggelikan dengan begitu mudah melemparkan diri ke Constantine setelah semua perlakuan tidak menyenangkannya.

Rivernee Locke says

Lovely.

Maggie Tideswell says

Wow! Have I enjoyed this book! It was so straight forward, or was it? They loved each other, or did they. And so believable. Yes, definitely a book to read if you are a romantic at heart. Nice job, Sharon Kendrick!

Aayesha Khatri says

Things I didn't like:

1. She's not even his *mistress* - what's up with HQN titles OMG. They make us romance readers look so trashy and superficial -.-
2. H is too snobby
3. The narrative describing every single move + belonging of the heroine as 'cheap' pissed me off
4. Character development of the son wasn't done well, nor was the relationship. The child was more like a side-theme instead of a major one, used just for the sake of the trope.

Things I liked:

1. Sharon Kendrick, because, well, she's old school and gives me what I look for in a romance (asshole H, loads of angst, sweet, old-school cheesiness)
 2. The heroine - even if I *did* think she should have stood up more for herself
 3. The angsty sex (obviously)
-

Jacqueline J says

Very middle of the road secret baby book. Not bad but not great. I didn't enjoy the hero not really remembering the heroine. It did have the element that I like in secret baby books. The heroine had tried to contact the hero but wasn't able to because he was so rich and she couldn't get through his security etc. I like there to be a decent reason for the secret baby.

So readable and enjoyable but probably not ever a reread

Johanna Juntunen says

Se oli hyvä :)

LuvGirl says

I had no idea what the hero saw in this heroine. She looked washed out and old for her age from having a hard life, and the hero didn't even think twice about her after taking her virginity in the past. At first I was enjoying the story because it didn't seem like the run of the mill. It had a jerk of an hero that I wanted to see get taken down a notch by the heroine, but I didn't see one thing about the doormat heroine that I could believe would have made the hero fall for her, so I lost interest at about 60% and couldn't have cared less about them getting together, so I gave up. The heroine was way too dull for the hero and there was no way in "H" "E" double hockey sticks that I was gonna believe that he loved her in the end! Say yes to library ebooks, best thing since diet coke!

Caro says

Esta novela de Sharon Kendrick mejoró sólo al final. El durante fue con ganas de estampar a la heroína contra una pared, porque podés querer a un hombre y hacerlo todo para estar con él, te aplaudo por perseverante. Lo que no tolero es que ella sea la única que se hace cargo de todo cuando él no hizo nada. No la ayudó con su embarazo a pesar de que ella fue la que contactó con él a través de siete años para decirle que esperaba un hijo suyo y luego se lava las manos diciendo "no fue mi culpa". Es más, ni siquiera la recuerda cuando la ve haciendo de camarera en una fiesta para acercarse a él y usar una última oportunidad para hablarle de que tuvieron un hijo juntos.

Otra historia con "la protección falló aunque la usaron". BLEH. Muy héroe griego, pero por favor, fijate que el anticonceptivo no venga pinchado y/o vencido, porque un embarazo es lo menos que podés agarrarte si tenés estos deslices. No les creo.

Le pongo tres estrellas porque al final la historia me cerró bastante bien. Él se pasó de tarado, pero al terminar la novela remontó un poco.

Sarah says

I enjoy book but I did think Constantine was a dick the whole way through. Not much goes on in book. Very quick sort of HEA. I think he should have grovel more.

Brie says

2 1/2 - I enjoyed this book but I just couldn't help thinking of the supposed "hero" as an arrogant, self-centered, crude, women-hating asshole and the "heroine" as a weak, pathetic, self-deprecating wimp. He was

horrible to her!!! He insulted her, belittled her, mocked her, and even enjoyed watching her serve him like a slave, and she just stood there and took it!!! And then let him screw her senseless over and over again. Don't get me wrong, I thought Constantine was hot. More than hot. Unbelievably sexy. But still, no man, no matter how handsome, rich, smart, successful, famous, or how good a father he is, NO MAN is worth the crap he put her through.

But she pissed me off almost as much by never seeing any fault in his actions. She kept thinking that he was just doing because he was upset or some other bullcrap answer like that. In the end i dont even think he really loved her, i think he just wanted so much because she was the mother of his son, gave him a huge hard-on, and was the only woman strong enough to ever deny him. For that, at least, I will give her points for.

Really the only big salvation in this book was the heat. Because, if I may say so myself, IT WAS HOT!!!!
Lol the sex was plentiful and delicious ;)

Fanny Roswita Ria says

Sorry to say, but I'm so disappointed with this "Sharon Kendrick" novel. Heroine-nya terlalu menye-menye. Sama sekali ga bikin greget gue, terlalu mudah didominasi hero-nya dan begitu mudah jatuh kepelukan sang hero. Dan penerimaan "Alex" thd Constantine begitu mudah. Bukankah harusnya di kasih perlawanan dikit? Protes kenapa muncul baru sekarang? Setelah dia berumur 7 thn..maunya gue sih kyk gt

Alexis-Morgan Roark says

You know I couldn't tell if the heroine was deemed attractive or not...there seemed to be some ambiguity then moments of clarity.

This book was your typical of its genre with a twist that I enjoyed...the heroine didn't seem to be as much of a pushover as these heroines can be.

At the same time, she had sex with this guy afer he'd flat out told her that she was here as the hired help (a deal they made for the son to come out there under the guise of the mother taking a job in his home) and to not forget her place.

At this point, he would have been cut off indefinitely.
