## Highlander The Dark Dragon Donna Fletcher

Heather Macinnes is finally safe at home, her two sisters there to offer comfort. She escaped the notorious ghost warriors and thankfully never laid eyes on their leader the Dark Dragon. Her ordeal is done. However, she learns only too soon that her ordeal is far from done...it is just beginning.

The Dark Dragon is as mysterious as the past he keeps hidden, but secrets slowly come to light, and when an old foe arrives to seek revenge, the Dragon's past comes back to haunt not only him but the woman who loves him against all odds.

With secrets to uncover, revenge to seek, and war looming on the horizon, Heather and the Dark Dragon must lay the past to rest, so they can build a future together.

## **Cathy says**

This is absolutely a wonderful ending to a great trilogy! I have read a lot of books this year and this is absolutely one of the best!

The Dark Dragon was such a strong character, everybody feared him. Learning how he came to be who is was and what happened to him was a fantastic story line. There are so many secrets in this book but when they all come together it all fits together perfectly.

Heather was the sister who had always kept her father's home running smoothly and helped her two sisters whenever they needed it. When Heather was kidnapped by the Dark Dragon it was nail biting but when she was forced to marry him for the good of her family and clan I could not put this book down. There is a really bad guy, a really great hero and great suspense!

I have always been a fan of Donna Fletcher but I think she has outdone herself with her newest book!!! Check it out!!!

---

## **maria says**

so romantic

---

## **Landy Jimenez says**

Reading The series i just wanted to get to this book. And what i guess from the beginning was correct. Also this was the one book without character name typos.

---

## **MG says**

I wasn't sure I was going to like this one as much, but I really did. It is totally obvious what is going on even when the main character won't admit to it, but that doesn't detract from the story and the relationship between the 2 main characters. I wish there were more in this series.

## **Kimberly Whisnant says**

### **Best of the three!**

I read this trilogy one after the other. This one was the best for me. The first two I did a lot of skimming over pages , not so this third book. I just about threw it down thinking there is no way! You will have to read it to know what I mean but after a couple more pages it explained to my satisfaction and it all came together all the way to the end. This was a really good book but I think reading the first two made it more understandable and meaningful. There is a little bit of everything in this story so if you like a good medieval romance with gruesome evil acts, some humor, a faithful dog, and some really crazy mad sex along with a lot good side characters, well, this is a good one!!

#### **The Dark Dragon**

This was a exciting read I laughed and cried through out. I love the fact that the sisters were so close to each other.

---

### **LYNELL VAUGHAN says**

#### **Good series**

I have read all the series books. This was enjoyable finale to the trilogy. I am starting a new series book by her next.

---

### **Brandie King says**

Another wonderful story! I was sad to see this series come to an end. I really loved these characters.

---

### **Tia says**

Highly predictable. Only read it because I figured "well, you've already read the first two, might as well finish the series."

---

### **Madison Johns says**

Excellent read!

Heather Macinnes survives a kidnapping, but life is far from normal as her father marries her off to the dreaded Dark Dragon. While the Dark Dragon demands his wife to obey him, she does quite the opposite.

I loved this book and the romance between Heather and the Dark Dragon that is very passionate. I'm glad that wasn't rushed in the book. There was plenty of conflict both between the couple and external. Heather has proven to care deeply for the villagers and that helped to develop her character. The Dark Dragon was quite mysterious, but he's also a developed character.

The only thing that bothered me was when they went back to help her father and there were many characters who were referenced and I really didn't know who they were or if they were mentioned earlier in the book or not, so this confused me, but not enough to detract from the story. I've lost plenty of sleep as I was sucked into the book.

#### **Lovedddd!**

Such a sexy and mysterious man the dark dragon is! I love each book in the series and this was my fav!

---

### **sandy forgunson says**

Great story from beginning to end Heather and the dragon great characters along with her sisters and their spell bing author and would highly recommend can't say enough about the story????

---

### **Clarice says**

Heather, the last of the Macinnes is home with her other two sisters. After her ordeal with the leader of the Dark Dragon. She learns that's her ordeal with the mysterious leader of the Dark Dragon is just beginning. To keep the peace, her father has married her to the Dark Dragon. Can she make her marriage work. The Dragon keeps his past and secrets hidden, until an old foe arrives to seek revenge. Heather is the only price he will accept. As Heather learns more about her husband's past. She finds out that he is not the the monster, that he wants the world to believe he is. Heather is finding herself falling in love with the Dragon. With secrets to uncover, revenge to seek, and war looming on the horizon from greedy, power hungry men. Heather and the Dark Dragon must lay their past to rest, so that the can build a future together.

### **Tracy Emro says**

#### **4.5 stars - the best in the series**

Of the three books, I like this one the best.

I thought Heather was a perfect heroine she was brave but not stupid, accepting but not a doormat, loving but not desperate.

Rhys/Dragon was a bit harder to like for reasons I can't explain without spoilers. He was gruff and demanding. But he really loves Heather - even if he doesn't realize it right away.

This book provides closure to the storylines that started in the first two books and has numerous appearances from Heather's family.

The writing in this book was more like what I expect from Ms. Fletcher. It flowed well and held my interest from the first page to the last. The love scenes were steamy and never felt "thrown in". The action and drama were well done without being unbelievable. All in all - I felt this was the best book in the series and would recommend it.

The only reason I didn't give it a solid 5 star was because I had a hard time believing that Heather wouldn't know who Rhys really was - she knew his uncle and couldn't immediately put two + two together? That is just a personal peeve and has no bearing on the story.

### **Kimi Court says**

Lets just start out with what you want to know, YES this is an awesome book. Well done and great story line. Now for the rest of you. Action, Love, twists and turns. Once you start reading you will not stop. It is the amazing end to this great trilogy. I wanted to keep reading but knew the end would come. I hated to leave this book. I want to go back and reread it just to feel the emotions I had through this book.

You think you know whats going on, then you realize you don't and just sit back for the ride. Enjoy it because I tell you now Rhos is fricken HAWT, Possessive, and very protective of what is his. Heather is just as she always is. Honest, sweet and always there with a smile and a helping hand. I love that the other sisters are in this book and she ties up everything nicely.

This book will stay with you long after you are done reading it.
