Lancaster Burning Trilogy Linda Byler

The Amish community of Lancaster is being terrorized by barn fires. David and Malinda Beiler's barn was the first to go. When a second Amish barn burns for suspicious reasons, the Amish grow more restless. Can Sarah, David and Malinda's daughter, end the terror that is pulling apart their community, even as her own heart is pulled between two young men?

Fire in the Night, Book 1: Sarah observes her parents' agony after their barn burns to the ground, apparently by an arsonist. Not only is she afraid, and wishing she could protect her parents, she's entranced by the flirtatious Matthew Stoltzfus. He's dating her friend Rose, but when he tenderly bandages Sarah's hand after she burned it at the barn raising, she wonders whom he's really interested in.

Davey's Daughter, Book 2: Sarah thinks Ashley, whom she's met at the local farmers market, knows more about the fires than she will admit. But Sarah can't convince her to share her secrets. Should the Amish finally resort to police protection? Matthew is asking if the Amish church is the right fit for him. Will Sarah follow him if he decides to leave the community? Sarah's mother urges her to pay more attention to handsome newcomer Lee, the hardworking Amish man who helps anyone in the community in need. How will Sarah respond to all of the forces that are pulling her in different directions?

The Witnesses, Book 3: When Sarah spots flames late one night in the widow Lydia's barn, she refuses to let the fire win. She gets the horses out just in time, but not before a beam explodes overhead, knocking her to the ground as the barn rages in flames all around her. Gone were her lovely good looks, her life as a teacher, and perhaps the attention of the two young men who had been so drawn to her.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sheena says

Awesome Book. Page Turner from the beginning. I Love Amish Books And Learning About The Amish Way Of Life.

Lorraine says

Linda Byler writes three books in this series that grab your attention and make you want to keep reading. Ms Byler is a new author to me. I thoroughly enjoyed reading this series!

I couldn't wait to finish one book and begin the next to find out who was going around burning barns on Amish farms. I was also eager to see if Sarah Beiler would come to her senses and get over Matthew Stoltzfus whom she's loved since she was a girl. In my opinion, Matthew was a real jerk and played with Sarah's emotions.

Even though barn burnings are a serious matter, Sarah's brother Levi had me chuckling at times. Levi has Downs Syndrome and some of the things that came out of his mouth were kind of funny.

You'll want to pick up a copy of this book and meet the characters and the trials they go through. Sarah's father is the bishop and some of the men in the church give him a hard time about the fires. He keeps preaching forgiveness and they want to get the police involved. Will the arsonist be caught? Can Bishop Beiler keep his church from going against the old way of forgiving?

Rachel Poff says

I love Amish

I read a lot of Christian fiction and Amish books. This was a great story, but far too many flowery adjectives and some confusing skips to next scenes. Without all of the adjectives reading would have been smoother and quicker.

Reeda says

I love the book. I highly recommend the book.

Lspinkrose says

Fabulous!

Well developed and well written. Author explores several themes: trials, forgiveness, adulthood. Sweet story; heart-warning . A reminder of Amish values.

Tammy Bernadt says

Another great book!! Love her books:

To beginning to end.

Sarah and her Family is wonderful :). Your going love them. The terrorized by barn fires. Through the book made me feel sorry for the community going through this. Why! Is this person doing this to them. The sad part when another tragedy happens in Sarah's family. This Matthew that Sarah has eyes on for a very long time. Matthew got under my skin. He is so selfish . Sarah meets a English girl name Ashley. I feel so sorry for Ashley. Sarah cares about her.

Just the greatest book to read. I don't write reviews right.

Jenny Carr says

Womderful

She really brings the characters to life, and makes you want to step in and join them almost. One of Linda Byler's best trilogies.

Janice says

read this on the kindle

I got this a trilogy while the storyline may be a good one i struggle to get in to this i gave up on chapter 11 of the first book i found it far too long drawn out you have pages of description which in the end i was skipping over I went to the last book to see who had set the fires & i don't think they been mention by chapter 11 of the first book & even the last chapter or two of the last book tended to be given over to pages & pages of description of an event i won't say want as some may wish to read this series & do not wish to spoil it for you I think from what i did read the 3 book could have been condensed down to a one book story

Veda Hilton says

A great series.

I really didn't see this as 3 separate books, but instead one book. I can't see one standing alone without the others. Nevertheless, the story was great and kept one's interest until the end. I enjoyed them.

Vickie says

This book kept me interested and reading for quite a while. I love the descriptions and the detail. It was so good it had me crying at times. The only thing I didn't like is how the books kept you hanging. I kept thinking, as one book would end, thank goodness I have the trilogy.. All in all a great read!
