## **Mister Thor C.J. Petit**

TJ knew the coal was there. A large deposit. But he had seen something else that intrigued him about the area south of Gillette in Wyoming Territory. He would only find it after he had bought the huge tract from the railroad. And he found much more. Not all of it good.

## **From Reader Review Mister Thor for online ebook**

### **Rose Ann Mistecka says**

**A wonderful book. Mr. C J Petit is a six at writing. I have read all of his books to date and have not been disappointed. He always bring 's you the best story. Thank you Mr petit**

The very best  
A wonderful book. Thank you for the best story 's

You must read all of his books.

---

### **Terri A. Maley says**

#### **Love all of cj petit books**

Excellent history involved within storyline. Easy flow reading of historical romance in all of cm petite books. Very enjoyable and always have to read straight through to end.

---

### **Gary L. Harter says**

#### **Best of Mr Petit's books I have read to date.**

Don't pass up this book because of the title .I just about did. This author added just about every thing you need to have a great western story. I won't spoil it for you by giving any hits. Just be sure you get this one!

---

### **George F. Sommers says**

#### **A good book.**

I recommend this book to be a very good read. My usual complaint is with the need for proofing before publishing. Literature typos should not be permitted they destroy reading concentration.

---

### **Craig Scholz says**

#### **Excellent book with an interesting twist**

I love CJ Petit's writing. I can't get enough of his books. The twist I mention is that this book is unique in the fact the main character is a teacher with many talents, not a cowboy or lawman.

---

## **Larry Powers says**

### **Perfection**

TJ wasn't looking for love when he found Katie. What he found was perfection personified. This book has more typographical errors than most C. J. Petit books, but overlooking that, it's one of his best.

---

## **Barbara Lee Wood says**

### **THE TOWN OF GILLETTE**

The lives and love that seem to pursue the characters in C.J. Petit western adventures. All of you who have read any of C.J. Petit knows they are in for love stories written western style.

So, get comfortable and enjoy this ride through highs and lows of "LOVE" western style.

---

## **Richard Rosen says**

### **The ideal of human character**

This is the second book I've read of C. J. Pettit . They are consistent in that the leading characters have mastered their lives so they are expressions of going about doing good in the most natural of ways; it is who they are. These days it's difficult to find characters whomake you think about your ideals and how you live. Mr. Petit's characters exemplify souls of nobility who continue to perfect their character. Well done Mr. Petit.

## **Clara M says**

### **Mister Thor**

Rollicking tale of mischievous ness and again, a hero and heroine to be proud of, by author C. J. Petit! This author's stories just keep getting better and better, each book I read

---

## **Eleanor Heise says**

### **Mister Thor**

A story of early Wyoming easily read and tastefully done. The only complaint I have is proofreading. It's a quirk I have that wants to correct the mistakes and can't. I did enjoy this book though.

---

**Dana says****Great book.**

A western with bad guys and good guys. Sad x-loves relationships, then 2 really great love stories. School teachers and a Coal Mining company. The main characters are very generous to the small town. I really like this author. I have read many of his books and they are very affordable.

---

**Sakina Abdul A'la says****Hire me to proofread**

I enjoy reading your writing until I come across a hitch in the giddy up. When I have to look at a word or series of phrases and interject my interpretation on your words, it's time for me to offer you my assistance. I will proofread for you.

---

**Masina Lane says****More than a teacher**

Petit continues to write novels that cause me to make sure that I have another of his purchased to be able to continue reading great Westerns. His characters know how to handle criminals.

---

**Sandra Whittiker says****MISTER THOR BRAVO ????? AGAIN!!!!**

C.J. PETIT again takes you on a journey of the heart. This talented author always takes your mind on a personal road of adventure with so many twists and turns that the end sneaks up on you , delightfully. Thank you for another great read!!!!BRAVO!!!!!!?????

---

**Frank James says****Excellent**

One of Mr.Peter's usual excellent works. I haven't decided which of his books I like best so I can't say it was the best. They all are very good. A true Master Storyteller.
