Social Security: The Inside Story, 2018 Silver Anniversary Edition Andy Landis

Social Security and Medicare are the bedrock of your future financial security. You paid for them-now make them work for you, starting today! SOCIAL SECURITY: THE INSIDE STORY is detailed. Comprehensive. Easy to read. It's been hailed since 1993 as "the best" resource on Social Security and Medicare-the Social Security "bible." Now the "2018 Silver Anniversary Edition" is better than ever, with more examples, new graphics, new footnotes, and an expanded chapter on Maximizing Your Social Security, featuring fresh ideas to profit from the Bipartisan Budget Act of 2015. Inside are 308 pages packed with everything you need to know: clear explanations, helpful illustrations, realistic examples, new "Nutshell" summaries, and handy web links. This is the only source of useful "Reform Targets," "Tips for Success," and "Inside Stories" revealing how Social Security really works. ANDY LANDIS has been called the Social Security "guru." His expertise is unmatched, with over 40 years' experience as a speaker, author, and former SSA representative. This is the proven and practical resource for taxpayers, retirees, financial advisors, and HR professionals-the essential guide for everyone with a stake in Social Security.

Kathy says

Comprehensive

I will definitely have to refer to this book in a few years. There is so much involved in social security and Medicare that I am positive I will not even remember a fourth of what I read and it probably will change by the time I retire, but will keep current and pay much more attention from here on.

Judy says

I am pretty sure I will need to purchase this extremely helpful book!

Kevin Reeder says

Wow, wish I would have had this book earlier

Great book with explanations, links to planning and clear explanations on social security that are easy to understand. A must for retirement planning.
