The light novel series' story centers around the travels of the merchant Kraft Lawrence, who strikes a deal with the wolf god Holo that sees him transporting the homesick goddess back to her remote northern homeland. AsatorPrime says

I find it hard to describe why I love spice and wolf so much. The stories are not particularly well written, the plots are often a little simplistic and the dialogue can sometimes be lacking. But, despite all that, whenever I read spice and wolf I always end up with a smile on my face and a happy feeling that lasts for hours after I put the books down. Charming is how I would describe this series and I couldn't recommend it enough.
