The Connection Adriana Locke

He was the bad boy she didn't need.
She was the exception to his rules.

When Jada Stanley and Cane Alexander met, it was lust at first sight. As much as they fought it, it became so much more.

Now that they've stopped fighting it and made their own rules, a little respite is needed. Las Vegas is the destination of choice.

Despite what they say, not everything that happens in Vegas stays there.

PERFECT!!!! Seriously loved this book so much! I loved The Exception (book that should be read prior), but this runs right their with it. I am not always a fan of Novellas. Sometimes they are unneeded add-ons. This Novella was perfect. Lovey Dovey, warm, beautiful, perfect addition to Cane and Jada's story. You will read it in one setting. You wont want to put it down, and you will be happy you didn't! Don't forget to pick up The Perception when you are done with it either! ;)

Five Amazing Stars

I was absolutely thrilled to accept this most amazing series, The Exception 1.5. Written by the awesome, Andirons Locke. After thoroughly loving the first book, Exception I was so keen to enjoy it. I am so enjoying this series of Cane and Jada too. I just knew I wouldn't be able to put it down!

As Cane speeds down the streets Kari is frightened holding closing. While Max is laughing at her. Just before they fly out. Jada is buzzed and completely happy now with her life. Cane and Jada are so blissfully in love with hopes to soon be married. Gazing at her beautiful engagement ring!

All this excitement and thrills and love they have together. A complete partnership. Cane is so such a passionate man and is just so gorgeous too. Now they were speeding down the road heading to Las Vegas. Now all four of them could enjoy this terrific marriage vacation together. They all would just have so much fun!!

I absolutely adored this book. Such a marvellous, fun. Such a delicious romance and such sensational story. I completely adored all its characters. I just didn't want it to end, but can't wait for the third book now!!

* I recommend this book to everyone!!

This book!!!!

Adriana Locke is absolutely amazing. Everything she writes keeps getting better and better. This was the perfect novella for Cane and Jada. The amount of love they have for each other in The Connection is truly beautiful. I can honestly say I cried, I laughed, and I loved. HARD.

Anyone who doesn't read this will be sorry they missed out. I was in dire need of Cane to come back in my life and poof! There he was - better than ever. And I even got some more Max too!!

This story.....man.....it's so damn good!

I realized while reading this how much I truly have missed having Cane, Jada, Max and Kari in my life. The banter between Kari and Cane is even more lol. The showing of brotherhood between Cane and Max really is something to feel in your heart. But more than that, the love Cane has for Jada and the way he shows her just makes my heart smile.

Cane is very...well, Cane lol and does things his own way. Isn't that one of the qualities we love most about him?

This is the story between The Exception and The Perception. The fill in that you needed, but am so glad to have it now to fall to.

This novella is a quick but very full story.

Can I have a trip to Vegas with Cane and Max too?!

I highly recommend this read!!

I got an arc for an honest review

Well, Mr. Cane Alexander again do his thing again, I thought I did not need him again only in my memories, but I was wrong I devoured the book in one day, the way he always wanted to please his "baby girl" is something beyond. I want a Cane Alexander to me forever, my soul was wreck when there was no one from his family, but we knew that, and feel as such on their wedding day was something very sentimental. Like I said before the author has a way of writing that makes the reader to connect with the characters and loved them fiercely, again I take my hat on this too!!!! I hope you have so much of success on everything!!!! <3 <3

This is the PECFECT CONNECTION between The Exception and The Perception. The chapters are filled with so much love and emotion that not only can be seen as you read, but felt deep...In your heart.

I have LOVED Cane and Max since book one. These two men are definitely men you want on your side.

This story just solidified the strong bond they have. The bromance, the banter, the laughs are so touching that I didn't know it was possible to fall deeper in love with them both. Until I did.

Don't miss out on this book. I wish I can say more, but 'What happens in Vegas stays in Vegas' unless you witness it for yourself.

Adriana Locke, thank you for making me fall harder and deeper. After all, I CAN'T resist the coach and his Quinn! ;)

#TheCoachIsBack

I freaking missed these characters sooo much, that reading this novella pretty much just cemented how MUCH I love Adriana!! I literally devoured 'The Connection' in about an hour. This was such a beautiful novella especially since it's set in my city... VEGAS baby!

I loved all the scenes between Cane and Jada. Especially, the end scene.. There's a new coach in town, Cane! Adriana NEVER disappoints in the ability to make me swoon and drool whenever Cane is present.. I seriously love that alpha-bad boy and his filthy mouth!

This novella was absolute HEAVEN and complete PERFECTION rolled into one & I absolutely LOVED getting more of Cane and Jada and Max and Kari!!

I hope to see more novella's from Adriana in the future.
Maybe a Kari and Max novella next.. ;)

“If we fight, we fight naked” I’ve missed Cane, but I didn’t realize just how much! The cocky bastard is back, and better than ever! Max is back as well, and the bromance is just as fun and alive as always.

The feels in this book.... They’re all sweet, misty eyed, and full on love. I felt a giddiness and excitement in my heart the entire time I was reading. It was perfect, the writing amazing, and we finally get to find out what happened in Vegas. Adriana has created the perfect bridge from The Exception to The Perception. Not only do we get the perfect closure to Cane and Jada’s story, but we get a peek into Max and Kari’s relationship before diving into their book.

“Signed, sealed, and delivered with an Alexander at the end.”

I loved seeing the little bit of vulnerability that Cane displayed in this book; something you don’t get to see in The Exception. It shows just how much he loves Jada, and all he’s willing to do to make sure she’s happy and feels his love.

You MUST read The Exception before reading this novella, and I highly recommend reading this before you read The Perception. This novella adds so much more to two already amazing stories.

WHO IS UP FOR A FUN VEGAS TRIP!!!!

This novella is one of the best Novella's I have read in a very long time. If you have read The Exception and fell in love with Cane Alexander and Max Quinn, I would suggest jumping on this one as soon as possible! Cane does not disappoint - still the cocky bastard we know and love but god did he make me laugh this time around. Of course, Max! Max is just sweet, sexy, and you fall in love with him even more! The bromance between these two are the best I have read.

If you haven't read The Exception, definitely read that first. This book is amazing and will leave you wanting more. Thank God, we do not have to wait as The Perception follows it and is available now. Thank you Adriana for an amazing series!

5 AWESOME STARS

Sheer perfection. You can not ask for a better novella. This is everything you could possibly want for Cane and Jada. You will laugh you will cry and you will not stop smiling. I absolutely love these 4. Thank you for sharing these amazing characters with us.

Jamee says

Where to start???? First, let me say that Adriana Locke has knocked it out of the park AGAIN! I fell in love with the 4 main characters ALL OVER AGAIN! Of course, Max is still MY FAVORITE, but Cane definitely outdid himself in this book! This novella has romance, a little suspense, will make you laugh with the way Cane, Jada, Max and Kari all interact...you may even catch yourself getting a little testy eyed (queue the scene with Jada and her dad)! But it's honestly worth it! It's a quick read. This series is definitely one of my favorites of ALL TIME!!!

BeautyandtheBooks says

Cane just blew my mind! Oh and Jada's

I loved this Novella! I'm literally in a bliss like state. It was perfect!! Cane is THE MAN!! Wait, Max is too. Gah! Adriana Locke sure knows a thing or two about book boyfriends. I'm in heaven over here!! Couldn't of asked for more!! I'm all smiles. Thank you, Adriana!!

Even More In Love!

As if it was even possible I am more in love now with Cane Alexander!! Adriana Locke only makes me love her more and more with every new book! Thank you so much for giving us more Cane. Heart.

Joy says

This was such a fun, sweet read. There is really no such thing as too much Cane Alexander or Max Quinn so this novella is the perfect companion to The Exception and The Perception. I enjoyed this groups trip to Vegas. It gave us a closer look at the bond these four share and a better understanding of it's dynamic. Cane will melt your heart in this one. Sure he's still a cocky bastard but, after all that's why we love him. But in this part of his and Jada's story he truly wears his heart on his sleeve! And it's absolutely heartwarming to witness. Enjoy this little treasure and some time spent with these characters!

Shannon says

This novella was perfect! It made me fall deeper for Cane, who went out of his way to make such an amazing wedding day for Jada...is there nothing that man can't do?!!?

It was fun, sexy, and sweet...so much goodness packed into a limited number of pages, I couldn't have asked for more.
