## **White Castle (Elf Kingdoms #1) E.C. Kraeft**

Amber puts on a necklace and...POOF... she is the size of an egg and in a secret world where humans are not allowed. Only elves. But before she can find her way home, Amber is forced to disguise herself as an elf, meet the Elf Queen in White Castle and fake a magic power. Will she be able to pull it off before the elves discover she is human?

## **From Reader Review White Castle (Elf Kingdoms #1) for online ebook**

### **Joan says**

I received this book from Goodreads as a giveaway. It's the beginning of a series for 7-10 year olds and I'm sure, particularly the girls, would love it and be eagerly waiting the next one. They'd enjoy Amber's adventure and would like to find out if she would discover why she could connect to the Elves of Jennings. A magical tale for the young.

---

### **Nerina DiBenedetto says**

As an author of Children's books I found this book to be well written and quite enchanting. I thoroughly enjoyed the story and I look forward to reading more about Amber and White Castle. I will be passing this book on to my 8 yr. old granddaughter and I know she will be entertained by this magical adventure.

---

### **Liz says**

I won a copy of this book in a Goodreads giveaway. This is a nice little adventure story that would entertain a young girl. It is filled with elves, a princess and magical powers. It is a short read and ends with the impression that the tale is going to be even more interesting in the next installment. It is evident that there is much, much more to tell.
