### **Great boxset**

#### **Get Me Off**

Really enjoyed this story. Loved Callista and Heath. It was fun and sexy and refreshing.

#### **Bed Skaker**

Loved. You can't go wrong with any story from Penny. This was a quick, fun read. Loved Cadie and especially Ram.

#### **Deep in You**

Loved this story. Carmine has her own bakery and is too busy to date when her friend suggests getting an escort to help her with her very specific kinks. Caleb is an escort who is into kinks as well and that's only where the fun begins.

#### **Sext**

Another great story from Ms Wylder. Loved this one. Clove gets attacked on her front door step and her doorman comes to the rescue. Zayne has had his eye on Clove for a while working as her doorman and now that she really sees him, she's all in too. Zayne is HOT and the chemistry between these two was crazy!

#### **Bang**

Absolutely loved this story. Loved Christine and Hudson. Sad to see this series end, really enjoyed reading about the men at Club Deep.
