## From Reader Review Her Warrior Slave for online ebook

### UniquelyMoi ~ BlithelyBookish says

This was another great read from the MacEgan series.

Kieran is a slave, but he is proud, defiant and a man of integrity who can't seem to forgive himself for a tragic event that he had no control over.

Iseult is the betrothed of the man who bought Kieran at a slave auction. She is instantly drawn to Kieran, and even though she tries to ignore the feelings he stirs in her, nothing can keep her from wanting to be with him.

A series of events have given them a common purpose, and so they find themselves having to work together, against the odds of obtaining that which they seek and and more importantly, that which they desire - *each other*.

I'm going to continue reading this series as I just keep falling in love with those sexy, honorable MacEgans.

This is a really heart-wrenching book. Kiernan sells himself into slavery in order to save his stolen brother who is killed anyway. He is finally sold to a man who is betrothed to Iseult. The unexpected friendship between Iseult and Kiernan is beautiful and heart breaking. He is a true hero and she is a good person in a bad situation. Trials and tribulations are expected in a romance, especially a medieval one, but the troubles just kept coming and coming. This is the first book I've read by Ms Willingham but certainly not the last. I really like these tortured heroes who become lovers and spectacular husbands to damsels in distress.

I closed this book with a satisfied sigh and it brought a smile to my lips. Michelle Willingham can write historical romances so well!

This story is set back in Ireland in 1102 AD and definitely one plagued with hardships. But trials and tribulations are expected in any romance, right? If you love a good medieval romance, you've got to give this one a go.

There are many characters in this story. It has a great storyline, plenty of action, many forbidden kisses, and lots of untamed passion enough for hours of entertainment.

The story starts out with Kieran O'Brannon a slave. He's proud and stubborn but he's also a man with

integrity. Naturally, I pictured him looking like this...

\*sigh\* He's absolutely yummy.

Iseult MacFergus is betrothed to the man who bought Keiran at a slave auction. She is drawn to Keiran instantly and cannot stay away from him no matter how hard she tries. He's unlike any man she's ever met before.

Iseult is also trying to find her son. She believes that although he was taken from her, he might still be alive. She desperately searches for him to no avail. Eventually she confides in Keiran about him. They find themselves having to work together and both try to ignore the feelings they have for one another.

*Keiran's self-control was about to snap. The scent of her surrounded him. Like wild honey, he craved the taste of her. She enslaved him with invisible chains of need.*

*"Iseult," he breathed, kissing her palms, "is this what you want?" He wanted nothing but honesty between them. "I am a man without a tribe. There is nothing I can give you. No home, no future."*

*She moved so close, the rigid tips of her breasts brushed against his chest. He ached with the sweet torment, exhaling sharply.*

*"Then give me yourself," she whispered. "It will be enough."*

*He didn't deserve her, couldn't possibly become the man she wanted him to be. And yet somehow none of it mattered this night.*

Yep, it's good...and gets even better. Really. Give this one a read.

And really, who doesn't love a happy ending?

Yazar?n ilk okudu?um kitab?yd? ve diline hayran kald?m çünkü çok ak?c? ve sürükleyleici yazman?n yan?nda i?ledi?i konu bütünlü?ü ve kurgusu da çok güzeldi. Karakterleri çok güzel oturtmu?tu çok be?endim.

Kieran'?n köle olmas? ama tav?rlar?nda köleymi? gibi olmamas?, ?seult'un ise tav?rlar?, o?lunu aramas? çok güzeldi. Genelde bu tür kitaplarda erkeklerin hep kad?nlar?n?n ilk erke?i olma iste?i ve kad?nlar?n?n bakire olmas?n? gerekti?ini okurken bu kitapta kad?n karakterin bir o?lunun olmas? ve evlenmemi? olmas? kitab? benim gözümde ayr? bir yere ta??d?. Farkl?yd? ve bu yüzden de sevdim. Zaten erkek karaktere a??k olmamak elde de?ildi.

Sava? sahneleri vard? ve bu k?s?mlar? çok güzel i?lemi?ti yazar ki ke?ke biraz daha uzun yazsayd? da okusayd?k kaleminden diye dü?ündüm de...

Kitapta çok be?endi?im iki al?nt? vard?... Kitab?n sonlar?na do?ru o al?nt?lar? sizlerle payla?mak ve yorumumu bitirmek istiyorum. :))

\*\*\*

"Sen ne yiyorsun?" diye soru kendi pay?n? neredeyse bitirmek üzereyken.

At?n s?rt?n? silmekle u?ra?an Kieran onu duymazdan geldi ama küçük k?z kolay lokma de?ildi, sorusunu yineledi.

"Çok soru soran küçük k?zlar? yiyyorum," dedi Kieran.

Shannon genç adama ka?lar?n? çatt?. "Bu hiç komik de?il." Hemen ard?ndan ekme?inden bir parça kopar?p Kieran'?n eline tutu?turdu. "Payla?abiliriz."

Ekmek parças?, küçük bir lokmadan ibaretti. De?il midesini doldurmak, a?z?n?n içini bile doldurmazd?.

Shannon'?n da fazla bir ?ey yemedi?ini biliyordu, bu yüzden davranış?? Kieran'? derinden etkilemi?ti. Daha önce kimse onun aç olup olmad??na ald?rmam??t?.

Tuni?ini a?a?? do?ru çekildi?ini hissedip bakt?. Aidan da elindeki küçük ekmek parças?n? ona uzat?yordu. Hemen sonra sarsak ad?mlarla ate?in yan?na döndü. Ekmek parças? içler ac?s? bir durumda oldu?u halde Kieran hay?r diyemedi. Her iki ekmek parças?n? da birden a?z?na att?. Ve hiç beklemedi?i bir ?ekilde bir doyum hissetti.

\*\*\*

Bütün kitap boyunca okuduklar?m?zdan sonra bu sat?lar insan?n yüzünde tat? bir tebessüm b?rak?yor.

Kieran'?n ya?ad?klar?ndan sonra bu sat?rlar çok güzeldi.

Ve a?a??da payla?aca??m küçük sat?rda Shannon ve Aidan, Kieran'dan hikaye anlatmas?n? istiyor ve Kieran'?n anlatt?? hikaye... Kahkaha att?m okudu?umda :))

\*\*\*

"Bir zamanlar, çok uzak diyarlarda bir prensesle bir sava?ç? ya?arm??.

Birlikte çok mutlu bir hayatlar? varm??. Son."

\*\*\*

Bu kadar uzun bir yorum yapt?ktan sonra sizlere okuman?z? tavsiye ediyorum, seveceksiniz hele ki bu türü seviyorsan?z...

Michelle Willingham is a favourite author of mine and I was so pleased to get to read this MacEgan series. I don't have a detailed review to give because I was too keen to keep reading on in this series I omitted to write one....I can just say if you like historical romance set in the early 1100's then you must just love this series.

Hero "Kieren" is a warrior with a high status that was sold into slavery. How? Why? You'll find out. He becomes a slave to the Heroine betrothed and then after a while not immediately a spark happens between them.

Heroine "Iseult" is a blacksmith daughter she had a child with a man before that was stolen and now she is betrothed to another man a chieftain son. At first she dislikes this high spirited mean warrior and it begins to change ..

---

There is a misconception the child appeared in the book very later on  
I loved the 2 other children

### **Netanella says**

This one hits all the right notes - a beautiful romance, a tender alpha hero, babies and family reunions. Very nicely done.

### **Shannon Stacey says**

A rich, emotional read. Both the hero and the heroine are not only grieving, but feel guilty, yet I didn't feel the book got depressing or maudlin. I felt bad for the man she was supposed to marry and I felt one of the threads of the story was wrapped up a little too quickly, but overall a very enjoyable read.

In the hopes of saving his brother's life from the raiding Normans, Kieran agrees to sell himself as a slave for his brother's release. But the raiders slit Egan's throat. Iseult is intrigued by the new slave her betrothed has purchased. The new slave has a talent as a wood carver and is commissioned to finish a chest but first he must create a carving of Iseult's likeness. Spending time together is torturous for Kieran as he's not fit to love any woman and Iseult is confused by her burning desire for this warrior slave. Their's is a forbidden love and a hard earned HEA! I loved how this love story ties in with the MacEgan clan!

Esperaba maaaas. El final lo arruinó todo. Todo. Tan... básico. Pudo haber sido mil veces mejor. Y Davin rayaba en lo masoquista.

Excellent. I know I should say a whole bunch more but that one word encompasses it all for me. I loved the story. Was surprised by how things played out. Totally loved the way things played out. It brought tears to my eyes on more than one occasion, both happy and sad. And I loved that it had an epilogue. Rounded things out perfectly. This is a must read.

### **Andrea Guy says**

This was one of the first historicals I've read in a long while and I really enjoyed Kiernan and Iseult's story. It was definitely one plagued with hardships as she was betrothed to another and he was that man's slave. I loved that both hero and heroine were very strong willed. Even Davin her betrothed was very likeable and in this kind of story you would think that he would be a more difficult character to have feelings for, but he was kind and willing to give Kiernan his freedom even when there was great jealousy involved.

Even the characters that you couldn't like, which were the two mother's Iseult's and Davin's you could almost understand the reasoning for their behavior, however misguided it was.

Definitely a wonderful read, especially if you like the Medieval historicals. Don't miss this one.

### **Michelle says**

I spent most of this book wanting to hate Kieran for his coldness and pride, but I was as helpless to resist him as Iseult was.

Another solid Highland romance from Michelle Willingham.
