## Savage Joy Cassie Edwards

When Panther first sees the Indian maiden, Shannel, he thinks she is a vision of his wife who had been slain by the Iroquois chief Iron Nose. Once he realizes that she's real, he longs to take her as his own. But they are from different tribes--enemy tribes--but as both Iron Nose and Shannel's white father threaten to tear them apart, Panther knows that she is the only one who can save his sorrow-laden heart.
