## **Surrender** Heather Graham

A brilliant writer of fiery and dazzling romance, "New York Times" bestselling author Heather Graham proves again why she is one of America's favorite romance novelists! They are an unlikely pair brought together by fate amid the drama and violence of the American Civil War. Although she is the daughter of a Yankee colonel and he is a staunch defender of the Confederate cause, it is through their passion that they manage to overcome their war-time political differences...and find in each other the love of a lifetime!

- Over 22 million copies of Heather Graham's books in print!
- Surrender is the sequel to Heather Grahams' national bestseller "Captive" and "New York Times" bestseller "Rebel"
- Graham's books have been published in over 15 different languages
- "A Magical Christmas" and "Rebel" were Doubleday Book Club Selections
- We have two more books coming from Heather Graham
- Set during the American Civil War

## From Reader Review Surrender for online ebook

### **Nora Dotson says**

Excellent!

---

### **Glamdring says**

Ok, so this is one review for the whole saga.

The saga begins during the second Seminole war and ends at the end of the secession war. The first two books are about Jarrett (white american) and James his half brother who is half white (same father)/half Seminole. The four following books are focused on their children.

The McKenzies are a close knit family. Then secession war happens and though they are all staunchly against slavery they find themselves politically divided.

Heather Graham has a real talent to weave real History through her romances and each time she gave us both side of the story.

One of my favorite historical saga ever.

---

### **Anna Mcfadden says**

Risa Magee was in love with Ian McKenzie and he love her to but he had to married another, he was fighting for the north and his wife is a spy for the south. The north is hunting her down know know her true identity. She sets off to inform Ian that the one he seeks is his own wife. Suddenly, she was the prisoner of a man with rippling bronze muscles, sensual lips, and plundering kisses.

Nothing in his years of battle could have prepared Rebel sea captain Jerome McKenzie for the desire that ignited when this lovely, reckless woman brazenly entered his home state of Florida--and his world. Can he make Risa forget her love for Ian and return his love.

---

### **Stacy Brown says**

Part of the McKenzie series, this book was a quick read and very enjoyable. Heather Graham is one of my favorite romance authors. I especially enjoy her historical romances. Set during the Civil War with our hero and lady on separate sides, but with a mounting attraction they cannot deny, the story is timeless. The hero of this tale is Jerome McKenzie, part Indian naval commander for the Rebel forces. He is everything you would want a southern gentleman with savage roots to be. But alas, he is no match for Risa Magee daughter of a Northern commander.

---

**Tracyk says**

I'm sick of waiting - i want this on KINDLE NOW!!!

---

**Suziep11 says**

This is the 4th story in the MacKenzie series. This story is about Jerome and Risa. It takes place during the civil war period and has great family strength.

4.7 on a 5.0 scale.

---

**Jenna says**

Another great McKenzie saga Heather Graham's really entralls you with a scorching romance, and a firm historical novel.

A Yankee colonel's daughter Risa Magee was trying to rescue a friend Alaina known as "Mocassin" with a bounty on her head. So, Risa travels South to informed Alaina to stop spying or she'll get hanged. While down the river in the Confederate Peninsula she encountered one of the Naval Rebel Captain Jerome McKenzie a cousin of his ex-fiancee Ian McKenzie who now married to Alaina known as "Mocassin".

Jerome McKenzie was suspicious with Riza Magee thinking that she was spying on them and may report to his father with their activities, so he decided to kept her with him on his ship until she scaped from him forever??? maybe!!! Great read a kind of book that you wanted to read over and over :)).....that is if you're romantic like me~~~

---

**Mary Mathews says**

I am enjoying this series. The McKenzie men are good at making love first, then realizing that the lady in question was a virgin. Yet, the women are willing. Who wouldn't be?

---

**Susan Essman says**

So far my favorite in the series.

---

**Candy Lieberenz says**

Loved it. Read it again the next day!

---

### **Jody says**

This was my favorite book so far of the Florida Civil War series, of course, I have two more to go.

This again follows the MacKenzie family. Jerome is the oldest son of James MacKenzi and he is a Rebel Captain of the ship The Lady Varina. Risa is Ian MacKenzie's ex-fiancee, Jerome's cousin. Risa risks her life to cross enemy lines into Florida to save Ian and his wife Alaina. She is abducted by Jerome and taken aboard his ship because he fears if he lets her go, she will tell the South's secrets to the Yankees.

Naturally, high jinks ensue, and before long their passionate arguments become passionate lust. Jerome never trusts Risa, always believing she is a spy and that she is still in love with his cousin, Ian.

Believing his daughter kidnapped and ravished by a southern savage, Risa's father, searches for Jerome MacKenzie, even after his daughter is safely returned. He becomes infuriated and is out for blood when he learns his only daughter is in "the family way."

---

### **Ona says**

Loved this one the best out of the McKenzie saga.

---

### **Barbara Warny says**

Amazing story, not about the Civil War, but of the people North and South that had to deal with it.

---

### **Regan Walker says**

Too Similar to REBEL, the 3rd in the Series

This is the 4th in Graham's 19th century Old Florida's McKenzies series--romances that tell the stories of the men and women who shaped a great state. Graham takes care to give us the history of the times (it's her home state after all!) as she weaves tales of love in the Eden that was early Florida.

Like the 3rd in the series (Rebel), Surrender takes place during the Civil War and follows closely on the

heels of Rebel. This is the story of James and Teela McKenzie's oldest son, Jerome, a Rebel naval captain with Seminole blood, and Risa Magee, daughter of a Yankee general.

I was not pleased to find Risa, the "almost fiancé" and "other woman" in Ian McKenzie's life, to be the heroine. (I didn't like her from Rebel and did not find her friendship with Alaina, Ian's wife, to be persuasive.) Worse, as the story begins in May 1862, Risa is kissing Jerome believing him to be Ian...the husband of her supposed friend, Alaina! At the end of book 3, I just wanted Risa to go away (couldn't Graham find another woman for Jerome??), but since I already owned Surrender and was committed to read the series, I kept reading. And what I discovered was a different Risa...not the mature, poised woman of Rebel, but a hot tempered, and at times immature, young woman. I do wish Graham had given her a different name.

Jerome has his own ship, one he designed for speed, and runs the Yankee blockades on Florida's east coast for the Confederacy. He takes Risa captive when he learns she has information that could hurt them. Initially I liked him very much but then he turns bitter and cranky, at times indifferent to the hurt he causes Risa. The arguments that develop between Jerome and Risa seemed petty... and somewhat contrived.

The similarities between SURRENDER and REBEL bothered me. In both stories: (1) a Yank weds a Rebel; (2) there was a reluctant bride and a shotgun wedding; (3) the husband believed his wife was the enemy who betrayed him; and (4) a spurned prospective suitor sought revenge.

If you are committed to reading the series, as I was, you will want to read this integral piece to the whole, but I think both RUNAWAY and CAPTIVE were better than REBEL and SURRENDER. On to GLORY...

The series in order:

RUNAWAY  
CAPTIVE  
REBEL  
SURRENDER  
GLORY  
TRIUMPH
