Sword Art Online: Girls' Ops Vol. 3 Reki Kawahara

Kirito might not be around, but that doesn't mean the girls aren't still ready for adventure. The fetching lasses of Sword Art Online--Leafa, Silica, Liz, and Lux--are back for a third volume, and they're determined to make the most of their virtual youth!

Samantha Bustos-Hubeny says

So. Much. Better! I love that they finaly explored that tattoo. I like that it is and isn't what you think. I wouldn't have minded something darker. I would love to see an orange char who was convinced the people they killed woke up and see them grappling with their guilt and issues after. Unless those people were all arrested...

Pato Myers says

Honestly I forgot that this character was in the LC guild, but I'm glad they went over it.

kerrycat says

The Lux situation was a total surprise, but all the kids at the SAO school have a dark history, so anything is possible. Volume 4? Where is volume 4?

Nic says

Wow, that got kind of grim! Very different tone from the last volume, that's for sure. And it's always a little weird when this series reminds you of how much higher the stakes were in the game Sword Art Online than they are in the present series . . .

My full review of volumes 2 and 3 appears at [No Flying No Tights](#).

Eldon Siemens says

fun story, if predictable.
