## **That Was Then** Leah Atwood

From a USA Today Bestselling Author, comes the first book of the Always Faithful series.

When her mother died, only one person came to mind for Meg Bailey to call. Wyatt Deluca—U.S. Marine, first love, ex-husband.

Seven years have passed since they've seen one another. To fulfill a parting promise to always be there for Meg if she needed him, Wyatt--scarred, broken, and in need of healing--returns to his small hometown of Lilston, Pennsylvania.

He went to comfort Meg. In Meg, he finds solace. Can time heal their battered spirits and restore their lost years?

A heartwarming inspirational romance for all those who seek life abundant in the midst of life's trials.

“The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.” John 10:10 NKJV

**luayne says**

**4 stars**

Nice Christian romance. Not preachy, just wise advice from scripture in dealing with death, love, marriage, youthful mistakes, and accepting what God has in store for each individual. Good, inspiration read.

---

**Staci says**

Sweet tale of romance resumed after a seven year absence.

A huge thank you to Brittany for letting me borrow this one!

---

**Sandra Kent says**

**A great story**

Second chances are usually humbling and requiring forgiveness. Story of friendship, receiving forgiveness, hope for tomorrow and God's love spiken to our heart. Don't give up on God and His plan.

---

**Gina says**

I loved this story of young love going bad, but having a second chance 7 years later. This story had tears in my eyes, such emotion written in here. It reminds us of the importance of having God at the center of our lives.

---

**Ann Davis says**

**Sweet, gentle romancem**

Faith filled, respectful romance stories touch me every time. There's enough political mess, take a knee mess and unfairness in the world I don't want to read about more of the same.

---

**Jan Mcleod says**

This is a good, clean story of healing, letting God take first place in this couple's lives, and a second chance at a forever kind of love.

---

### **Martha Campbell says**

#### **Couldn't Put it Down!!!!**

Wonderful story of mistakes made but Redeem by God!!! We all have made mistakes and many we regret. But allowing God to heal us and take first place in our lives is the only only way!!! That is what Meg and Wyatt learn in this story as we walk with them.

---

### **Janet Graham says**

#### **Christian Faithfulness Second Chance Romance**

This is a wonderful and warm Christian romance. The entire story is faith-filled. The hero is a young Marine who has left the service and come home. He has quite a bit of baggage from his combat tours and the loss that comes with it. It is as much a story about giving our problems to God to solve as it is about a second chance romance. This author always delivers a well thought out story with the Bible as the template. I look forward to reading more of this series.

---

### **Donna Dv says**

#### **Pretty good book**

This was a pretty good and enjoyable book to read. It kept my interest and moved along well.. It was well written.

---

### **Pat says**

Characters were interesting, but story-line was boring.

---

### **Kimberly Olson says**

Loved this book!!! Leah Atwood is a great author. I couldn't stop reading. Once married several years before two were struggling with their own tragedy. Who knew they come to help each other heal and in time they formed a new relationship.

---

### **Pat says**

This was a good book of second chances. Seven years after their marriage ended in divorce, Meg contacts Wyatt to ask for his emotional support after the death of her mother. Wyatt is struggling with survival guilt and depression after the death of a close friend and fellow marine but he immediately agrees to come to Meg's aid. Wyatt is a great guy and, it seems to me, was in no way responsible for the divorce. Meg, on the other hand, still seems somewhat self-centered and emotionally inconsistent. This does ultimately have a good ending with Meg seemingly having a moment of wake-up after reading a note from her deceased mother. I liked the story, loved Wyatt and his fellow marines (who I think may appear in future books in this series)...but I just didn't love Meg.

---

### **Betty Hansford says**

#### **Second Chances**

This book proves that second chances, while not always easy, can be successful, if you really have faith and believe that God has a plan for your life. You just have to trust Him.

---

### **Ellen White says**

Good story once again by Leah, of healing and second chances. It took a sorrow to bring them together once again, and a commitment of long ago. Could the past be forgiven, and new vows be made. Readers will definitely want to read this and welll as others by Leah.

---

### **Patricia says**

a heartwarming clean romance. Trusting GOD is not an easy thing for any of us.

---
