The Golden Lie

B.M. Hardin

The Golden Lie B.M. Hardin

Have you ever told a lie?

Yaya Ramsey dedicated her life to being a good wife. She loved her husband with everything in her, but everything isn't always enough. She'd thought that she'd married the exception. Needless to say, she'd thought wrong. Her husband, Dakota, isn't the man he portrayed to be and after finding out a few of his heartbreakin secrets, Yaya is forced to come up with a plan.

What do you do when the person that you love the most, no longer loves you back?

You tell a Lie!

Hurt and full of rage, Yaya wants revenge and she becomes apart of a Lie that changes life as she knows it and things for everyone around her will never be the same.

She'd forgotten to consider one little thing...

What if the Lie actually worked?

Twists and turns, sex and deceit, Yaya's world is turned upside down, and she learns a cold, hard truth, that isn't always the easiest to accept and that is: No matter how well you think you know someone, the truth is...you just don't know everything! Even if it's about your husband!

The Golden Lie!!!

Ma'am! Ma'am! Ma'am! I could not wait to get to the end of the book. In Good B.M. fashion, it kept you wanting more! Loved it.

reneeNaDaBomb says

Dakota and YaYa Ramsey have been married for many years. They have two young sons to raise. YaYa finds out her hubby is having an affair with her best friend's sister, Chanel. Chevey is the twin sister. Then Chanel becomes pregnant but is not sure who's the daddy. YaYa and Jerome (Chanel's hubby) decide to set their spouses up for murder after finding out about the affair. A murder-for-hire goes awry and the wrong twin is killed. Dakota is arrested for the murder and given 76 months in prison. Not knowing his mom is the mastermind behind the killing and wanted her son to pay for his foolishness.

There are lots of twist and turns in this suspenseful novel. I recommend this read.

MZURAQT says

The dedicated wife, the spoiled husband....

Yaya Ramsey has prided herself on being the perfect wife. But as they say sometimes your best is just not good enough. Tired of giving her all she tries to find out what the problem might be . When you go looking you will sure enough find that Dakota is full lies.

There is nothing like a women scorned and Yaya is on the path of rage. Will it all be worth it in the end?

Although this book kept my attention . It lacked description and character development .Some stuff also reminded me of The Good Listener . I will try another book by this author.

This was very entertaining ??Yaya is the "always there" wife. She keeps everything ready, food house clean, sex, etc. But unfortunately, she discovers her husband is cheating on her. Instead of confronting him she keeps it to herself & decided she will spy on him which only makes her angrier. She doesn't know if she can deal anymore so she comes up with a plan with a lil help from an unlikely partner who is also being cheated on. The plan goes really wrong and now everything is looking down

The Golden Lie

The Golden Lie is my first time reading from B.M. Hardin. I decide to give this author chance to read her book. This book is a good. This author did a good job. It's well written and the storyline is on point. There are lot of dramatically problems. The storyline is also a piece of art.

I have learned from reading this book. Ya Ya and the rest of characters have their own issues. Each of them have been lies, cheating, mistreated and etc. I'll definitely continue to support and read more books from this author.

Good read:

Cece Williams says

Hot like ?

BM Hardin knows that she can write he y'all off. When I tell you I didn't see Momma Ramsey's truth coming. I know she admitted to what she did, but not the who. SAVAGE! I was also shocked that Ya ya confessed. Kenny was a straight cool. Chevey didn't need that in her orbit, but I hate that it happened to her. I was upset that Chanel and Jerome got away without anything happening to them, but it all worked out for Yaya. I hope that forgiveness and art work pays off for her marriage when Dakota gets released. Great job lady. I truly enjoyed this read as always.

Ashley Jones says

Great Read

I loved how Yaya started off as the typical wife trying to decide what had happened that made her husband cheat. But ultimately she seen that it was never about what she didn't do but everything she did and she couldn't satisfy her husband 100%. A lesson you can never satisfy anyone 100% they'll always want more.

Ave Whitfield says

The Golden Lie Is GOLDEN!!!!

I absolutely love BM Hardin's creative mind and her style of writing. On to the book. YaYa, was like any woman and once scorned we all want revenge,however she took hers to another level. Still,I really liked her character despite what she did with Jerome. Dakota, as sexy as he is will always be a cheater. His level of

morality wasn't surprising. He slept with his wifes bestfriend twin sister, and on top of that he was in love with the wifes bestfriend. I loved that this book wasn't predictable which made it quite enjoyable to read. A very good read!

Dee Cherry says

Bravo, kudos & all that!

Once again, the mysterious mind of BM had me reading a winner! ! The suspense was getting to me so I finished it rather quickly. YaYa had me nervous at times although she was a bit clever. The cover, contents & characters were top notched. And of course the storyline was twisted & unpredictable...but with a message. Loved it! Highly recommended book!

Laverne says

Ohmygoodness!!

I must say this was great, kept me wanting more to the point I couldn't put it down. Well written & the storyline just flowed. Dakota was so wrong & proud of him for stepping up in the end. Felt bad for Yaya because she lost a lot that day, even though she was in on it. Still wondering what part Mrs. Ramsey played in the fateful day that wouldn't have happened without her. I have never bmp disappointed with any of B.M. Hardin's books and I'm anxiously waiting for the next one. ??

Ashley Phipps says

B.M. Hardin

Just like every other book by this author, I was on the edge of my seat. I loved all the twist and turns. Yaya had me laughing with her pettiness, but who could blame her considering everything Dakota did. And that Chanel had me mad with all her lies but Karma reared its ugly head at her. Poor Chevey I hated how things ended for her. And Yaya's mother in law, I loved her. She didn't defend her son when he was wrong she refused to condone what he was doing. This was an all around great book and I highly recommend it.

Lakimbac says

Do unto others only what You want done unto you!

Wow... This book has me speechless. At first I felt bad for Chevey but in the end I realized that she's in a better place than with Kenny. Everyone needs a mother in law like Yaya had. She knew Dakota was no good due to his father's actions. Hopefully these 76 months will help Dakota appreciate his family.

Great Job B.M.

DENISE says

Awesome

This book will leave you speechless. Glad its a standalone because the way I'm feeling would have me desperate if I had to wait. Yaya was wrong but I don't blame her. Who wouldn't react the same way when you been the good wife and get cheated on. Dakota did the right thing at the end all the mess was his fault. Chevey is in a better place after all she was about to be in a relationship with a psychopath. BM Hardin great job as usual. Never disappointed with your books.

Review:

"The Golden Lie" by B.M. Hardin

My Thoughts...

This is definitely one of those reads that you will not want to put down until the end. The story will be filled with so many lies that you will simply have to keep up with all of its twist and turns. I found all of the characters simply off the chart bringing so much to this story that will have you shaking your head and saying wow...I didn't see that one coming. At the end I was left wondering just who the truthful person was in this read. There was so much damage that had been done would there be a any room for a healing? I will only say this author has done it again and that is given the readers another good read.

Latanya Garry says

WOW

This book has the right title because everyone was lying and hiding secrets. Just when you think all the lies was out in the opening. There was more being uncovered. Yaya has been with her husband for year's but knew when something within him had changed. When she decided to search for the truth. She ending up finding out more than she bargained for and was in for a shock. Especially when she thought she knew everything only to find out there was more. Dakota had bitten off more than he could chew. He didn't know that his wife had find out about his dirty little secret or should I say secrets until everything blew up in his face. Chevey was stuck in the middle of telling her best friend the truth or keeping her sister lie hidden but in the end it costed her regardless. Chanel was selfish and didn't think of the consequences of her actions until it was too late. Kenny was a little off. Something about him didn't seem right to me. He was a bit obsessive.

Jerome was too calm for a person that had found out about what his wife was up too. I knew he had a scandalous side to him.
