## **Summer says**

One Audra and I read this week together. Fun mystery for little readers.

---

## **Ellen says**

Nice children's mystery. I did want to learn about the mystery horse. Might be a nice series. She sure wrote a lot of books!

---

## **Christy says**

When grandfather and the children vacation off the coast of North Carolina, an old fisherman tells them of the island's ghost horse. That very night Benny sees a mysterious stallion galloping down the beach. Could it be the horse who is thieving from the cottages, or is there someone wandering the misty dunes at night?

## **Stacie says**

Missing horse and boy.... kids figure out this trippy mystery.

---

## **Rebecca (whenallotherlightsgoout) says**

One of my favorite childhood series. I read over a hundred of them. The first 50 or so were in order; after that I read whatever book I could get my hands on :)

---

## **Laura says**

great when ur little

---

## **Y says**

Doesn't actually deal all that much with ponies/horses.

---

**M-girl says**

I really liked it, because I like reading about places I've been.
