The Timekeeper Rob Kidd , Jean-Paul Orpinas (Illustrator)

Time is about to go all funny for Jack Sparrow and his faithful crew. Fitzwilliam P. Dalton III's beloved timepiece has always been valuable to him. But it has suddenly become valuable to a lot more people--including some of the Barnacle's crew's worst enemies! It turns out that Fitz's timepiece is not only a clock, but an unbelievably powerful tool that can stop time itself. It's up to Jack and his crew to find a way to keep the timepiece out of the hands of their dangerous adversaries.

From Reader Review The Timekeeper for online ebook

Stacy says

Sage loves Pirates of the Caribbean. He really enjoyed this book, but didn't like that the pics didn't look like the 'real' Jack Sparrow. Ha ha

Shannan says

same as 1st

Maddy says

I *highly* recommend this origin series for younger readers. It is such a unique and interesting on such a famous characters for fans who wish to get more of him! I was not disappointed in the slightest. It is definitely a good pick for Elementary and Middle School readers!

April says

3.5 stars

Shacoria says

The things I like about this book are that Jack displays lots of cleverness and I also like the little twist at the end that the watch doesn't just stop time, but also seems to be able to let them go back in time in a way.

Brittany says

My son loves Jack Sparrow, so he loved this book. This is book 8 of Jack's adventures as a youngster. In it Jack Sparrow displays his cleverness often while dealing with Davy Jones, enchanted warriors, another pirate and other precarious situations. His weapon, along with his cleverness, is an enchanted watch that has the power to stop time, but with significant consequences.

Jessica says

I read this entire series when I was a preteen or young teenager. I LOVED each and every one of these and I waited impatiently for each new installment.

Being an avid Disney fan and the POTC ride in Disney World is my favorite, and the POTC movies were among my most-watched movies, I could not contain myself when my dad found these for me in the book store.

Although I have not read them in years, I remember them fondly and I strongly recommend them to anyone who likes pirates, tie-in novels, or just exciting adventuress. I think these would be a hit for reluctant readers as well (even though I did not classify as a reluctant reader, these grab you quickly and are pretty easy to get into).
