## Trouble with Mitch Myla Jackson

Book 3 in the Trouble series Caught in the crossfire of a struggle to obtain the Stone of Azhi, Mitch West is inadvertently trapped in a bottle, destined to remain there until a woman frees him, only to bind him to her for every wish she might have. Overprotected rich girl Amira Nassiri receives the ancient bottle as a gift from a museum curator—she doesn't know what she has until she unleashes the magic inside. Unfortunately the "magic" is sexy, love-'em-and-leave-'em Mitch. Not anxious to travel down the path to heartache again, all she wants is for him to disappear. All Mitch wants is Amira—convincing her is another story. When men attack her to get to the bottle, Amira is forced to rely on Mitch's help. The path leads to more adventure and all the mind-blowing sex one poor little rich girl can wish for.
